About St James and St John Church of England Primary School

From their initial point of contact, our families are welcomed into our school family and we take great pride in building and maintaining the relationships we have with our parents. They are essential and valued stakeholders of our school and we work hard to not only canvass their opinions, but actively work to implement their suggestions. We are fortunate to have a wonderful, supportive, kind and caring school community around us.

St James and St John Church of England Primary School is a small, split-site school situated in two idyllic villages in North Buckinghamshire. Akeley plays host to our Key Stage 1 site where you'll find our Foundation Stage, Year 1 and Year 2 classes. A little over a mile away in the village of Chackmore, you'll find our Key Stage 2 site which houses Years 3, 4, 5 and 6. Both sites sit in beautiful countryside just a stone's throw away from Stowe Landscape Gardens.

We are very proud of our strong community links working alongside the church, local schools, the National Trust, village committees and local residential homes - to name but a few. We work hard to promote and maintain the excellent reputation of our school and this is supported by the high expectations we have of our staff and pupils.

Our school has seen a continuous upward trend in popularity of late with numbers on roll currently just below 150. Despite our growth, we are proud to still maintain our unique, nurturing ethos centred around our Christian values.

Celebrating our pupils

We are so proud of our pupils and we work hard to ensure that every child is given the opportunity to be the very best they can be. We believe it is important that our children take pride in their own achievements and, as such, we enjoy nothing more than sharing these successes with our parents in many different ways. For example, through our weekly and termly newsletters, sports day, our Christmas performance, Harvest assembly, May Day celebration...and so the list goes on. We place a huge amount of importance in sharing collective worship experiences with our school community too and enjoy welcoming parents and other family members to services and assemblies throughout the year.

Our school council and charity representatives work hard to constantly improve our school and to support causes close to their hearts. Their innovative and challenging ideas certainly help to make St James and St John Church of England Primary School a very special place to flourish and prosper.

St James and St John PTFA
