Recruitment Pack

WELCOME

Welcome to Cumbria Education Trust (CET).

The Trust is responsible for the education of more than 4,000 young people across ten primary schools, three secondaries and our West Coast Sixth Form. While we have grown quickly, the vision for our young people remains the same; to enable every one to reach their potential by providing an innovative and inspiring learning experience.

We believe in raising the aspirations of our children and helping them aim higher. We offer a broad and balanced curriculum that is enriched by many wonderful and exciting opportunities. 'Be the best you can be' is a motto shared throughout our schools, as are the key characteristics of Respect, Responsibility and Resilience.

I firmly believe that schools are stronger when they work together and sharing best practice across our primaries and secondaries is part of everyday life. It is also a priority to support teachers with excellent professional development opportunities, which in turn benefits all our children.

Our schools are a vital cog in their local communities and we are fortunate to count on strong support from families and stakeholders in each area.

I hope that what you read about CET encourages you to find out more - whether you are a parent searching for the best school for your child, a teacher aiming to progress your career, a school governor looking to the future or a business wanting to support your local community and young people.

Staff can work across our family of schools, enabling our academies to benefit from wider expertise and to offer individuals fresh opportunities. Quality of life outside work significantly shapes the way in which people perform, so the need to achieve a healthy work/life balance is an important aspect of our commitment to staff.

All of us are responsible for promoting the trust values of Respect, Responsibility and Resilience.

...BUT DON'T JUST LISTEN TO US

“You are part of a wider community and there’s lots of opportunities to develop own practise and to help others develop.”

“You are so well supported and everyone always has their door open”

“I would quite simply say, what are you waiting for?”

“I have been able to work across two of the Trust’s secondary schools, undertaking key roles within each of the organisations. The CEO and Heads have been amazing at providing roles that allow me to feel valued and part of the wider organisation.”
