Head of School: Miss White

Dear Candidate,

Thank you for your interest in our academy. Denaby Main is a 3-11 academy and is located in Denaby, South Yorkshire. We have a strong team that strive for the best outcomes for all children. The academy is seeking to attract an experienced, knowledgeable, and committed team member who can demonstrate high aspirations for all our children along with the enthusiasm and resilience to support all aspects of a child's education. The successful candidate will have the opportunity to work in a supportive, professional learning community that seeks excellence.

Our emphasis is on consistently high quality teaching and learning throughout school and across all areas of the curriculum to raise children's outcomes and allow them to move onto secondary school fully prepared. We believe strongly in developing our children's aspirations and helping them to become good learners so they can build on their successes year on year. Our children enjoy coming to school and we work closely with their parents/carers to support the whole family.

All staff are committed to providing the very best for all children. Teamwork is a strong part of our ethos, with a supportive and nurturing approach and a culture of continual improvement being promoted by senior leaders, in everything that we do. Those we recruit will demonstrate that they share our values, have the child at the center of everything they do, are highly motivated to work with colleagues to continuously develop their skills, pursue professional excellence and are committed to providing the highest standards consistently.

If you are a passionate, experienced and driven person who has high expectations and aspirations for yourself and our children, and you feel that you can support our ethos and meet the requirements of the role, I would be delighted to receive your application.

Jo White
