We are dedicated to nurturing your talents and developing you to become an inspiring member of our academy community. We are unique, and your journey will be filled with discovery, growth, and opportunities. An affinity for pupils with behavioural, emotional and social difficulties is an essential quality to be successful in our setting. Applicants should be resilient, have high expectations, and a sense of humour. A growth mindset and positive ethos are essential characteristics that we are looking for.

You will have the opportunity to become part of our forward-thinking academy and find your niche area which contributes to the team's success. About Esteem North Academy

The academy provides education to pupils from Reception to year 11 if they are permanently excluded or, sometimes in special circumstances, those who are at risk of exclusion. The academy has undergone significant growth since 2022 to meet the needs of the Local Authority. We have 3 sites throughout the north of Derbyshire. There is also an additional site undergoing development in Chesterfield which will open in several phases. The Hasland site has approximately 110 pupils on roll in KS3/4. Barrow Hill holds around 30 primary aged pupils and the High peak site in Chapel-en-le-Frith will have approximately 70 pupils allocated. High Peak caters for both primary and secondary aged pupils. The new site will house pupils in KS3 and 4. We also have teams which educate pupils off site. In total, we have 120 staff and can cater for nearly 400 pupils.

Our aim is to re-engage pupils with education via our multitude of pathways. We have a full blended learning offer with work experience, off site alternative vocational provisions and some peripatetic teaching in pupil's homes. We have various site- based timetables in order to be as inclusive as possible. We are committed to working in partnership with pupils, their parents and carers, their schools and other agencies to re-engage them and enable them to become better learners and responsible citizens. We think outside of the box to make every effort to meet pupils needs. Where pupils are able to demonstrate positive progress, behaviour and a desire to achieve, we aim to help them transition back to another school.

Pupils do not remain in our academy from year 6 to 7. They have the opportunity to transition from primary to secondary with their peers. We have a high success rate for year 11s moving to further study, employment or apprenticeships.

Our academy ethos is based on inclusivity and positivity. We continue to be resilient in all aspects of our work, especially with behaviour management. We focus on praise, change and consequence, not sanction or punishment. Consequences are bespoke to each individual.

As we are multi-sited, and our work can be varied, candidates must have access to a car and insurance with business use included. Staff members may be expected to transport pupils, work in their homes or off-site locations depending on their role in the academy. An allocated base will be named for calculation of travel mileage payments. Normal home to work mileage is not funded.

We invite you to join us in this remarkable journey of growth and achievement. For further insights and to explore the opportunities at Esteem North Academy, we welcome you to visit our website and one of our sites.

About Esteem Multi-Academy Trust

Esteem MAT was formed in 2018 and now consists of fourteen academies from the East and West Midlands. Many of our pupils have special educational needs and/or disabilities or are disadvantaged. Therefore, inclusion is our watchword, and our vision is for Esteem to be a learning community of excellence for SEND and alternative provision in the Midlands. However, we want mainstream schools to join us too as they have many pupils with SEND or who are disadvantaged. We want all our pupils to achieve their full potential whatever type of school they attend.

Our vision is to be a Trust that:

- Leads and supports our academies to provide the highest standards of education and development for all our pupils
- Enables academies with a shared sense of purpose to benefit from alignment whilst maintaining individuality
- Provides a strong, collective voice for our academies at a local and national level
- Delivers support and SEND expertise to our academies and to other schools and local authorities
- Our vision will be delivered via our three core strategic aims. Everything we do should be ultimately focused on doing these three things well:

We will provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world.

We will deliver high standards and value for money from our support services, resources, estate and technology.

We will invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

Our people are our most valuable resource. We invest in them by providing high quality specialist training, opportunities to collaborate and develop their careers within Esteem.

We greatly value each school's unique identity, which reflect the diverse needs of the pupils. It is also important to us that our pupils feel they belong to their school community. This is why we believe that our schools need strong leaders and governors who understand their local context. Being part of a family of schools in a trust brings the added benefits of support and collaboration. We know that sharing ideas and working together are the best ways for our schools to continue to improve for the benefit of all our pupils.

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of all its students. We expect all staff, volunteers and agency staff to share this commitment. The successful candidate will be required to undertake a Disclosure and Barring Service (DBS) check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided. Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2024' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared. If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues. Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.

Application process and timeline

Applications are completed online via MyNewTerm via the Esteem MAT [Website](#).

After the closing date, shortlisting will be conducted by a panel who will score your application against the person specification, so please ensure that you read the Job Description and Person Specification carefully before you complete your application form.

All candidates invited to the interview and assessment day must bring the following documents; original documents only, copies will not be accepted:
