

# Our Mission

*'Grow, Discover, Achieve in the image of Christ'*

We will **grow** by:

- Building an open and welcoming community where each person feels valued;
- Working together in a supportive way, basing our relationships on mutual respect;
- Creating a climate that is supportive of all members of our community.

We will **discover** by:

- Delivering a curriculum that is relevant, varied, interesting, stimulating, balanced and appropriate to the needs of our community;
- Providing interesting experiences that foster a sense of awe and wonder for our children;
- Providing resources fit for 21st Century teaching and learning.

We will **achieve** by:

- Fostering positive attitudes to learning and high expectations of all members of our community;
- Using a variety of teaching approaches that show respect and acceptance of each child's uniqueness;
- Ensuring that our attitudes and values are transmitted through the curriculum and are consistent with the Catholic faith.
