Introduction and Purpose

This policy provides the approach to recruitment of employees and volunteers in the Athelstan Trust. To support schools in delivering this policy, recruitment templates are available in the HR Team.

This policy is also designed to ensure that people who are unsuitable to work with children, young people and their families are deterred and prevented from working within the school environment. This policy directly endorses and supports the mandatory guidance in the latest Keeping Children Safe in Education document. Please refer to Appendix 2 of the Athelstan Trust's Child Protection and Safeguarding policy.

Policy Statement

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all employees and volunteers to share this commitment.

The Trust aims to ensure that recruitment effectively and efficiently supports the provision of high quality education. The Trust's objective in carrying out recruitment is to fill vacancies with people of the highest quality, drawn from the widest possible 'pool', cost effectively and without undue delay, whilst adhering to principles of fairness and equality.

Analysis of Post Requirement and Relevant Approvals

When a post becomes vacant the Headteacher will undertake a thorough review to assess whether a replacement is necessary and in the interest of the School as a whole and in light of its financial health and specific needs / objectives. All recruitment must be authorised in advance by the Trust's Executive Team (CEO and CFO). Approval should be sought via the [Recruitment Checklist Form](#).

Review of Job Description and Person Specification

The job description for the vacant post will be reviewed to ensure it reflects the requirements of the post. If there is no job description, one will be produced.

The job description will state:

- The main duties and responsibilities of the post
- The postholder's responsibility for promoting and safeguarding the welfare of children and young person.

The person specification sets out the selection criteria, specifying the essential and desirable attributes needed by the successful candidate.

These attributes include:

- Qualifications, experience and any other requirements needed to perform the role
- Competencies, qualities and values that the successful candidate should be able to demonstrate, including suitability to work with children and the Trust Core Values.

Templates are available in the HR Team and should be used as the basis for reviewing and revising all job

descriptions and person specifications.

Advertising the Post

The Trust uses the MyNewTerm (MNT) platform to advertise all vacancies. This should be supported by other platforms to ensure the target audience is reached.

Advertisements will be appropriate, cost effective and non-discriminatory and will:

- Be based on the details in the job description and the person specification
- Be clear and precise to attract applicants to seek more detail.
- Include the statement: 'The Athelstan Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful candidate will be required to undertake an Enhanced Disclosure and Barring Service (DBS) check along with standard pre-employment safeguarding checks. References will be sought for shortlisted candidates before interview. Please also be aware that you will be subject to an online check and that you may be questioned about the findings of such a check at your interview.'
- Include the statement: We are a flexible working employer, and we are willing to make any reasonable adjustments you require during your interview so please ask us.
- Include all relevant information: job title, location, pay range, closing date
- Be supported by a recruitment pack, template available in the HR Team

Selection Panel

Membership of the selection panel should be diverse and inclusive to help ensure an equal and fair recruitment process. Where possible:

- Panels should consist of a minimum of three members;
- Will consist of a balance of genders;
- At least one member of the panel (and preferably more) will be current 'Safer Recruitment' trained;
- Conduct the whole recruitment process i.e. shortlisting and interview.

Panel members must declare any conflict of interest including prior knowledge of any applicant.

Shortlisting

All applicants must complete an application form via MNT. Applications will be shared with the selection panel without personal information.

Each member of the selection panel will score each applicant privately before the overall scores are agreed collectively and the panel agree a final shortlist of applicants to invite to interview. A shortlisting template is available in the HR Team.

Late applications will not generally be considered, and not once shortlisting has commenced.

The Equal Opportunity Monitoring Questionnaire on MNT will not be shared with the selection panel and will be used by the Trust for monitoring purposes only.

The Athelstan Trust

Recruitment and Selection Policy

Shortlisting will be made by reference to the essential and desirable criteria detailed in the person specification.

References

Regardless of the post being applied for, references from the previous two employers must be sought via the MNT platform prior to interview. This also applied to internal candidates. Where candidates do not have two previous employers, appropriate alternative references must be obtained, e.g. from education providers. Any issues of concern can be discussed at interview.

In line with best practice safer recruitment guidelines, all references must be followed up by telephone.

On receipt, all reference will be checked to ensure all the questions have been answered satisfactorily. The referee will be contacted to provide further clarification as appropriate. They should also be compared for consistency with the information provided by the candidate on their application form. Any discrepancies should be discussed at interview.

If a referee fails to provide a reference the candidate will be contacted to provide an alternative referee on MNT.

Online Searches

As part of the shortlisting process an online search should be carried out on the shortlisted candidates. This may help identify any incidents or issues that are publicly available online, which may need to be explored at interview.

Assessment and Selection

Assessment and selection methods will be used to assess the candidates' suitability to the role and whether the candidate meets the criteria for the role. The selection methods used will be relevant, non-discriminatory and cost effective.

Appointments will be based on merit and the suitability of each candidate for the job, as evidenced against the person specification, and demonstrated by the selection methods. Appropriate and effective selection tools and processes will be used, and a range of selection methods will be considered in order to test candidates' suitability for the role.

All candidates will be notified in advance, with reasonable notice, of any test / assessment methods to be used.

Interview

Each shortlisted candidate will be invited to interview via MNT.

Each candidate will be asked:

- The same core set of questions and their answers fully noted. Answers may be probed further as appropriate;

The Athelstan Trust

Recruitment and Selection Policy

- At least one question to assess safeguarding knowledge;
- At least one question based on the Trust and/or School values;
- Some questions exploring the candidate's suitability to work with children as well as their suitability for the post;
- Any concerns or discrepancies arising from the information provided by the candidate and/or referee.

All interviews must follow Safer Recruitment practices, with at least one panel member who has completed the Safer Recruitment training in the last three years.

Decision Making, Feedback and Offers

When assessing candidates with disabilities, it is a requirement to consider their suitability on the basis that any reasonable adjustments that may be required have been made. Similarly, if special equipment is required the candidate's suitability will be evaluated on the basis that the equipment is in place.

Each member of the selection panel will record three positive observations and up to three areas of potential development and score each candidate at the end of each interview privately before the overall scores are agreed collectively and the best candidate chosen. A template is available in the HR Team. If additional selection methods are used, these will be fed into the decision-making process at the end, and the candidate who best meets the selection criteria chosen.

All candidates will be advised of the likely timescales for a decision and notified of the outcome of the interview as soon as possible. However, the selection panel will wait until the successful candidate has accepted the offer before informing unsuccessful candidates, unless they are clearly unsuitable for the post.

All candidates will be offered feedback on their performance during the selection process and an explanation of the decision, if requested. Feedback should be based on the selection panel members' observations and evaluation.

The initial job offer to the successful candidate will normally be made verbally and followed up in writing within seven working days stipulating that appointment is subject to satisfactory employment checks of:

- References
- Medical fitness for successful candidate only
- Qualifications
- An enhanced DBS check
- Proof of identity and eligibility to work in the UK
- Membership of any appropriate professional body
- Disqualification under the Childcare Act 2006 for eligible employees
- Original documents should be produced and a copy of these will be taken and kept on the successful candidate's personal file with the exception of the DBS check.

Recruitment and Selection Policy

Eligibility to Work in the UK

Under the immigration, Asylum and Nationality Act 2006 it is a criminal offence to employ someone without entitlement or permission to work in the UK. Section 15 of the Act requires all employers in the UK to make basic document checks on every person before they start work to help ensure that they do not employ illegal workers.

Employers are also required to recheck documents at least every 12 months if the employee has time-limited leave to enter or remain in the UK. Employers incur a significant fine if they employ an illegal worker. A new offence of knowingly employing an illegal worker can incur an unlimited fine and / or up to five years' imprisonment.

To ensure that recruitment practices are not discriminatory, all short-listed applicants, regardless of their colour, race, nationality, or ethnic or national origin, will be asked to produce original documents as evidence of their right to work in the UK.

Where a preferred candidate requires a Skilled Worker Visa (previously Tier 2 General) status to work for the Trust the appointing officer will contact their HR Business Partner for advice before an offer of employment is confirmed.

Overseas Trained Teachers (OTTs)

OTTs are allowed to work as unqualified teachers for a maximum of four years without the need to gain qualified teacher status (QTS).

Details can be found in the Guidance from the DfE on Overseas Trained Teachers <https://www.gov.uk/government/publications/teach-in-england-if-you-qualified-outside-the-uk/teach-in-england-if-you-qualified-outside-the-uk>
