

We recently conducted an exciting staff survey. We benchmarked our scores against last year, and we're pleased to bring you the positive results...

Workload

We scored **14%** higher than the national benchmark and **6%** higher than our 2022 scores.

“ I have a great work/life balance - support from my line manager and immediate team - everyone has made me feel very welcome and I feel like I settled in quickly as a result. ”

“ Being able to work 1-1 with students is very rewarding. I do not feel workload is overbearing. ”

Leadership Dynamics

We scored **18%** higher than the national benchmark and **3%** higher than our 2022 scores.

“ I appreciate my SLT colleagues who are supportive, hard-working and dedicated to the staff and pupils in the school. ”

“ Amazing team with everyone pulling together to get the job done to get the right outcomes for the pupils and the staff. ”

Career Opportunities

We scored **18%** higher than the national benchmark and **5%** higher than our 2022 scores.

“ Managers give me the ability to lead on an initiative and trust me and support me to make an impact. ”

“ Leaders allow and embrace me to be me. ”

Staff Communication

We scored **14%** higher than the national benchmark and **6%** higher than our 2022 scores.

Our specialist staff are central to our vision of nurturing inclusive learning communities. We aim to prioritise staff development, strengthen our teams, and develop a nurturing culture. We want to thank all staff who took the time to take part in our survey.
