

JOB TITLE: Applied Behaviour Analysis Therapist

REPORTS TO: ASD Base Manager

BAND: Grade C

JOB PURPOSE

To work with children with ASD on a 1:1 or small group basis, implementing learning and behaviour programs set by the ASD Base Manager and seniors, using techniques based on the principles of ABA (Applied Behaviour Analysis).

KEY CORPORATE ACCOUNTABILITIES

- Commitment to the Trust and school's vision and values:
- To maintain awareness of and commitment to the Trust's Equality, Diversity & Inclusion in Employment Policy in relation to both, employment and service delivery and to observe of conduct which prevents discrimination taking place;
- To comply with all Trust policies and procedures including the Code of Conduct, Safeguarding Policy and E-Safety Policy;
- Undertake safeguarding training at least annually, with further updates as required;
- To fully comply with the Health and Safety at Work Act 1974, the Trust's Health and Safety Policy and all locally agreed safe methods of work;
- To work with colleagues to achieve service plan objectives and targets;
- To participate in the Performance Management Procedure and contribute to the identification of team development needs; and
- At the discretion of the Head Teacher, such other activities as may from time-to-time be agreed and are consistent with the nature of the job description herein.

PRINCIPAL ACCOUNTABILITIES

- Assisting in the development of individualised programmes, underpinned by the science of ABA (applied behaviour analysis), with specific emphasis on a verbal behaviour approach to language
- Implementing these programmes on either a 1:1, 1:2, or small group basis, dependent on the needs of the pupil(s) they are assigned to work with
- Preparing resources for the running of targets for each pupils' programme
- Collecting accurate data on both challenging behaviour and skill acquisition throughout the school day
- Graphing daily data at the end of the school day and cumulative progress data at the end of the school week
- Maintaining records in each pupils' individual folder; archiving old data appropriately
- Assisting class instructors and seniors in the running and set up of daily classroom activities
- Supervising pairs or small groups of students at breaks and lunch times, encouraging independence, social play with their peers and appropriate behaviour which is consistent with the school's behaviour, value and aims documents
- Reporting any safeguarding concerns to the class instructor, ASD Base Manager or safeguarding leads.
- Developing professional relationships with parents and providing accurate information daily in the home-school communication books
- Co-operating with colleagues to ensure the aims of the school are achieved consistently
- Forming and maintaining good relationships with the children and of the school; based on mutual respect, trust and understanding
- Assisting with the physical and self-care needs of the children as they require; including, but not limited to, any toileting procedures
- Working across all key stages within the ASD Base department on either a termly or bi-termly basis
- Any other duties as deemed necessary by the ASD Base Manager or head teacher
- All staff will be expected to conduct themselves in a manner consistent with the school's values and expectations

The duties and responsibilities in this job description are not restrictive and the post-holder may be required to undertake any other duties that may be required from time-to-time. Any such duties should not, however, substantially change the general character of the post.

This organisation is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

I confirm that I have read and understood, and that I accept, the above job description:
