## **Recruitment Pack**

A Global School in a Local Community

## Welcome, from the Head

### **Dear Applicant**

Thank you for your interest in joining our exceptional school. I believe it is exceptional in so many ways and I hope that you gain an understanding of us from our website, or from visiting us. Belonging to the Ascend Learning Trust, we value the following Trust statement "Through a sense of ownership of purpose, value and beliefs, students in the Trust's Academies will be supported to flourish and develop high aspirations for their education and personal development whatever their starting point."

Many visitors to Royal Wootton Bassett Academy describe a sense of calm, warmth and enjoyment when they visit us. Our school is vibrant, brimming with a real 'can-do' attitude around everything that we do. Our vision is centred around students and staff being "the best versions of themselves" and we are focused on how we develop our skills and resources to enable this to happen.

We live by our values of Respect, Well Being, Balance and Aspiration and they are embedded in our culture, all of which is very much balanced with encouraging our students' academic success. We strive to develop the whole person through learning experiences and learning opportunities from great role models and we recognise that the learning process is as valid for the adults at our school, as it is for our young people. We live in a world of considerable challenge and we recognise that academic qualifications, as well as personal confidence are key to enabling future choices.

Inclusivity is celebrated here; for life, our school community but also within the classroom. Equity is also valued here and everyone is expected to play their part in ensuring that every young person has access to everything that we have to offer. Inclusion does not belong to specialist leadership roles, but to everyone and facilitating equity to all is something we prioritise.

We know our students and staff come to school because they love it, find it exciting, challenging and totally engaging. More importantly, they find our school to be a real community of supportive individuals, working together to improve the life chances for all. I look forward to meeting you, so that you can experience this for yourself.

**Kindest Regards** 

Anita Ellis Headteacher

## Royal Wootton Bassett Academy

Royal Wootton Bassett Academy is an ambitious, oversubscribed and incredibly proud 11-18 school with 1,764 students on roll including 356 students in our very popular and successful Sixth Form.

The school is a proud member of the Ascend Learning Trust. Royal Wootton Bassett Academy is committed to inclusivity and equity for all.

We have embedded our approach to developing 'Growth Mindsets' across the curriculum and in the way that we approach everything that we do. We are a United Nations Convention on the Rights of the Child (UNCRC) school and the articles are embedded in our values led approach. We are also a UCL Beacon School for Holocaust and Genocide education.

Our Sixth Form Leadership Team and the School Parliament carry the 'students' voice' exceptionally well and as a result, they have impacted across our school in a variety of positive ways. We would welcome an application from fellow professionals who share these values and approaches, and this mind-set.

In December 2010, the school was awarded Outstanding in every category by Ofsted. They described our students as "...an absolute delight." and "in every area of the School they carry out exemplary practice."

In November 2013, the Academy was again awarded Outstanding in every category by Ofsted where they stated "Around the school, students are polite and courteous to each other, to members of staff and to visitors. Students listen attentively in lessons, and almost always respond rapidly to teachers' instructions". We belong to Challenge Partners and their external verification places us as 'Leading' in every category. The Lead Reviewer describing our school as "just brilliant". We are a reflective school and believe in empowering the individuals in our community through ongoing reflection and evaluation.

Royal Wootton Bassett is geographically situated in a pleasant location with Bath, Bristol, Cheltenham and the Cotswolds all within commuting distances.

## **Our Facilities**

Our school was built in 2002 and as a PFI, it is maintained to a very high standard. Our students' artwork adorns the walls throughout the school, making the school a compliment to their creativity and abilities.

Our approach to inclusivity has meant that we have opened a new Inclusion Zone with 2 Pods. We use the phrase, "These places are sanctuaries, not sanctions" and they are fully operational places for therapies, a 'sensory room' and a quiet space to work. They are designed to enable students to access a variety of support and to re-set their mind-set so that they can carry on with their learning on the mainstream timetable.

We have fully equipped classrooms catering for all subject specialisms and we have a functioning Weights Gym. We also have a 280 seat Lecture Theatre and this year, we opened a new Sixth Form Extension to accommodate our growing Sixth Form.

## **Our Curriculum**

Our Curriculum Intent places ambitious subject knowledge at its core, complimented by a deliberate focus on wider knowledge that appreciates difference, challenges stereotypes, and considers ethical dimensions in society. Our curriculum is inclusive and ensures all can access the knowledge and skills needed to become well-informed young people who are positive contributors to society. Specialist vocabulary sits at the heart of our academic curriculum and combines with our focus on literacy throughout the school. Our students are provided with the language and confidence to have their voice heard through a strong focus on literacy throughout the school, supported with specialist Reading Programmes.

We are proud to have a wide offer of choice for our KS5 students that includes A Levels, BTECs, DfE and EPQ, as well as Complimentary Studies that includes First Aid and Student Interventions. Our KS4 is exceptionally well balanced with over 25 subjects to choose from.

We balance our approach pathways with EBACC, Open subjects, BTECs and an Alternative Baccalaureate (Alt Bacc) that includes BTEC Level 2 courses at local Colleges. In both KS4 & 5, we offer Work Experience too. In 2021 we adapted our KS3 pathways to widen the students' curriculum experience. In Year 8, students now choose a Curriculum Plus subject to give them the opportunity of experiencing a subject that they wouldn't otherwise be able to experience in KS3, for example Business, Sociology, Photography, PE Theory, or they can choose a subject they currently enjoy and want to develop further, for example a second MFL. In Year 9, we brought our KS4 Options into Term 6 and this has allowed students to begin their GCSEs prior to Year 10 and as much as possible we provide them with the teachers that would be timetabled to take them, thus improving their familiarity with expectations and basic knowledge.

## **Our Commitment to your Professional Development**

We are committed to the professional development of all of our colleagues. We place a high priority on ensuring that our professional development is tailored and appropriate for staff at all career stages.

Our Early Career Teachers have access to the Ambition Training programme alongside weekly inhouse professional development sessions led by specialists in different areas. All of our second-year teachers receive one to one coaching and take part in the Olevi Creative Teacher Programme. As teachers move through their career they are able to access programmes such as the Outstanding Teacher Programme, the Outstanding Leadership Programme, and the Outstanding Facilitator Programme alongside a full range of NPQs. We actively encourage staff to seek out further valuable developmental opportunities and we have a full and varied in-school professional development calendar including termly Twilight sessions, bespoke Learning Forums, and weekly CPD Bitesize briefings. If you work at Royal Wootton Bassett Academy, we are committed to supporting your growth as an educator and fellow professional.
