Dear Candidate

Thank you for your interest in joining Glossopdale School. Glossopdale school is an oversubscribed 11-18 comprehensive secondary school which serves the Glossop community. We are a warm and caring school that has the highest expectations of students and ourselves, where every student is expected to work hard, behave well and contribute positively to the school community.

We are seeking a passionate and proactive Academic Mentor to join our English team. This role focuses on supporting students to close learning gaps, deliver targeted interventions, and accelerate progress in English.

The ideal candidate will work collaboratively with the English department, deliver engaging intervention sessions, and adapt learning to meet students' needs. Strong classroom management, creativity, and a commitment to student success are essential.

If you are dedicated to making a difference and helping students achieve their full potential, we would love to hear from you.

We exist to empower our students to find their purpose, develop high aspirations and thrive both academically and personally, to be the best that they can be. We provide a knowledge-rich curriculum which exposes students to powerful knowledge, places them on an ambitious pathway and develops the character traits needed to seize the opportunities that exist. Our core purpose is not merely finite 'success' for our students but for them to thrive - continually grow and flourish.

We are explicit about the culture we want to create and have clear ideas of the desired behaviours necessary for our students to succeed. At Glossopdale School, we maintain a relentless focus on the day-to-day actions, behaviours and routines within the school and adopt a disciplined approach to teaching students the right and successful ways to do things.

While with us, we encourage every member of staff to stretch themselves and we give everyone access to a wide range of learning and development opportunities. We are a research-based school with the aim to develop highly effective evidence-based practices including teaching, learning and assessment, where we collaborate as a whole staff to persistently improve our pedagogy and where we evaluate our practice habitually.

We have some of the best facilities in the area having fully rebuilt our school in 2018. This not only provides both staff and students with everything they can expect for modern teaching and learning, but also gives us exceptional environmental credentials.

I am extremely proud to be the Headteacher of Glossopdale School and consider it a privilege to be a part of such a vibrant and caring learning community. If you think this sounds like your sort of school, then we very much look forward to receiving your application to join us.

Debbie McGloin
Headteacher

Our vision and values

Our vision for Glossopdale School is very simple - to aspire, endeavour and thrive together.

We aim to deliver this through an understanding of what is expected of each and every one of us - staff and students. We achieve this as a staff body through good communication, clear expectation and working together.

We inspire the students to understand and personally act on our vision by breaking this down into a clear message. We feel these values are encapsulated by the acronym THRIVE. Each of the letters stand for a character trait we want to see our students develop during their time at Glossopdale School.

T	H	R	I	V	E
Tenacity	Hard Work	Responsibility	Independence	Visionary	Excellence

We are able to use this in all our interactions with our students to help them build the skills and traits to enable them to aim high and achieve their potential. We firmly believe that strength of character is the fundamental cornerstone of academic success.

Our students

As a new school where all age groups are together we expect everyone to make a contribution.

Students readily volunteer to represent our school in many ways: welcoming visitors; outreach work with local primary schools; work experience; voluntary and charitable work and much more. Everyone has something to offer and we celebrate our students' generosity, maturity and willingness to help.

Students are encouraged to aim high—in their work, conduct, attendance, punctuality and dress. We expect them to achieve their best and to take responsibility for their own learning, working independently and collaboratively. We aim to meet our learners' needs in a rich and varied way.

We listen to the student voice and we encourage them to become involved in the work of the school. The health and well-being of our students is important and we endeavour to support their emotional, social and moral development to enable them to flourish. Working with a range of professionals, we listen to and guide young people throughout this time in their lives.

We are very proud of our school community and expect our students and their families to join with us in this pride and embrace our values and aspirations for all.

Our staff

We are exceptionally proud of our staff and the dedication they display every day to support our students to reach their potential. Whether a member of our Leadership Team, Teaching Staff or Support Team – all have a vital role to play in providing an environment where all can achieve.

New Staff joining us will have a full induction and will be paired up with an existing member of staff to support them in their first few months of employment. The induction process is for all staff and is tailored to the needs of each individual. New teachers at the start of their teaching career are well supported through the ECT and RQT process and we are pleased that many staff have stayed with us throughout their teaching careers, enhancing their skills and developing their pedagogy through our ongoing training offer.

Staff Wellbeing is a priority for us as we aim to support all of our staff to enable them to support all of our students. The headteacher takes the lead for this area and the need to manage workload and work smarter is a key focus. Student and Staff Committees focus on welfare and wellbeing for all, with further external specialist guidance and support provided by The TRUE Learning Partnership

Our curriculum

The quality of teaching and learning is our priority. We want our students to gain satisfaction through hard work and engagement with their studies. We know that a determined focus on excellent progress and grades will take them to Post-16, University and beyond.

We have a flexible personalised curriculum which provides for the needs of all our students. Traditional GCSE subjects in English, Maths, Sciences, Humanities, Languages, Arts and Technology sit side by side with some more vocational and technical courses in Sport, Performance, Social Sciences, Business and Catering. Targets are set and progress is closely monitored.

Year 7 to 9 students follow a core curriculum. This includes: English, Mathematics, Science, Technology, Humanities, Art, Music, Dance, Drama, Computer Science, Physical Education and a language.

In Year 10 and 11 students have the opportunity to design a curriculum matching their interests and skills. Those who are especially talented in one or several areas may have the chance to accelerate their learning. Students can choose purely academic pathways or routes that are work related, such as Design Technology & Catering as well as a range of BTEC subjects such as Sport, Business studies and Health and Social care.

The curriculum is designed to give every student the best possible chance of leaving Glossopdale School with strong qualifications and high aspirations.

Across all subjects, we want students to be excited and enthused, to express themselves confidently and eloquently and to rigorously expect the best academic standards of themselves.
