St Claudine's Catholic School for Girls is a highly-successful Catholic girls' comprehensive school (ages 11-18) in the northwest London Borough of Brent. Our school is a vibrant, happy and inclusive community with staff and students from across the world. We have a vacancy for an enthusiastic and qualified teacher of geography to join our thriving and successful department where geography is a very popular option choice at both GCSE and A level. Both human and physical geography are covered in our syllabus.

Learning at St Claudine's is rooted in the Gospel values in a warm, supportive and nurturing community. Our international community welcomes staff and students of all faiths and none. Behaviour at the school is outstanding and students are educated via a rich and diverse, holistic curriculum to become confident, articulate and independent young people.

Although we are a Catholic school, it is not a requirement for candidates to be catholic. Our multicultural and multi-faith school welcomes applicants of all faiths and no faith.
