WELCOME

Thank you for your interest in the post of Careers Administrator at Buttershaw Business and Enterprise College (BBEC.)

Our vision is that we will all work to ensure that our students will be the best they can be and can achieve great things. They will be **ambitious**, **resilient** and determined in their learning and respectful, **courteous** and **kind** in their relationships.

It is a privilege to serve our diverse community and I am extremely proud of what we have achieved along our journey of school improvement to date.

All leaders are passionate about the students who attend this vibrant school, and we demonstrate this by teaching them well and expecting the very best from them. The appointment of an experiencesd and organised Careers Administrator is crucial in order to raise standards, whilst developing the skills and potential of all students, so that they can lead happy, healthy, confident and responsible lives as individuals and members of society.

We are a fully inclusive school and we welcome all children and their families. We have a great mix of students with different skills and talents, and we are truly proud of our inclusive approach, with our commitment to see every child reach their potential. We expect all staff to work hard to ensure that we fulfil this aim.

The intent of the curriculum at BBEC is to:

- develop the whole child to ensure that they embody BBEC's values, both in and out of school, by being ambitious and resilient in their work and courteous and kind in their interactions with other people.
- provide an all-round education that delivers excellent outcomes in terms of academic success, improved cultural capital and increased ambition in order to counter social disadvantage.
- create a school where everyone belongs and equality of opportunity is actively and effectively promoted.
- develop an understanding, appreciation and respect for diversity while recognising and celebrating difference as well as all we have in common.
- ensure students are compassionate, **courteous** and **kind** by guiding their moral, intellectual and creative development.
- secure high levels of literacy, oracy and numeracy to enable students fully to participate in their acquisition of knowledge and skills
- nurture academic habits and skills, emotional intelligence and creativity across a wide range of subjects including the arts, music, performing arts, IT, technology and sport.
- foster confidence, resilience and discipline in seeking knowledge.
- develop knowledge of, and pride in, Buttershaw and Bradford as well as developing ambition and awareness of the possibilities outside the local environment.

At BBEC, we recognise that our staff are our biggest asset. We believe that our young people deserve the best, therefore we recruit carefully and invest in training to ensure continued improvement and an excellent quality of education.

Although we are a large school, we work very hard to ensure we retain our sense of community and family ethos. We strongly believe that education is a partnership between school, students and parents and work hard to develop this partnership.

This post would offer an exciting challenge to someone seeking to broaden their experience and career prospects. High expectations and a determined focus on supporting our most vulnerable students are essential. In return, you will receive the support of a strong team of Senior Leaders and Governors, with well-motivated staff, students and parents.

If you decide to apply for this post, please complete the application form, together with a formal letter of application addressing the relevant points on the person specification.

I very much hope to welcome you to BBEC to experience first-hand our vision, values and commitment to our young people and to our community.

Yours sincerely

Andrew Taylor Headteacher

ABOUT BBEC

Buttershaw Business & Enterprise College is an **improving school**. We are an ambitious, community-focused academy of just over 1400 students serving an area of social deprivation on the southern edge of Bradford and seven miles from Leeds. BBEC is popular locally and is rapidly becoming the school of choice for the community of Buttershaw; for the last four years we have been oversubscribed in Year 7.

BBEC is an **inclusive school**, our school motto is **'We all belong at BBEC'**. We celebrate our differences and our similarities and do not tolerate discrimination of any type. We have a bold approach to inclusion and work so that all students and staff can bring their authentic selves to school.

BBEC has a cohesive, highly skilled and ambitious staff team who work hard to ensure that every student is successful. Many of our students face multiple challenges and it is through clarity of vision, professionalism and determined support for students and for each other that we are bringing about improvement. We have the highest expectations for all our students and expect that our staff teach to the very highest level. We have a rigorous approach to quality assurance and a significant commitment to Continuing Professional Development. Teachers have many opportunities to improve their teaching pedagogy and pedagogical subject knowledge and we expect them to make the most of these opportunities to ensure that the highest of standards are maintained.

BBEC is situated in a modern building. It has well-equipped departments that are arranged in suites of rooms. All teachers have a laptop, all classrooms are equipped with projectors and interactive whiteboards and all classrooms have access to student laptops.

All at BBEC are dedicated to raising the aspirations of our students and improving cultural capital through ambitious schemes of learning in all year groups and a varied offer of extra-curricular activities and opportunities. We run trips and visits to places in the UK and across the world, our students take place in a myriad of competitions and our CEIAG programme is exemplary.

This exciting role offers great opportunities for the successful candidate and a chance to make a difference to some wonderful young people.

CEIAG at BBEC

The raising and broadening of the aspirations of our students is an essential part of our whole school provision and especially important because our students face many challenges, for example, two-thirds of all of our cohort are from the three lowest deciles of deprivation (IDACI), around 44% being Pupil Premium and over 250 being designated SEND K or with EHCP. BBEC being an 11-16 school also means all of our Year 11 continue with education, training and employment elsewhere.

To date, our track record has been exemplary with our average NEET figure for Year 11s between 2019 and 2023 being 1.2% which is lower than the 2.7% National Figure. Overall, our average combined NEET and Not Known figures are 2.8% lower than National. This is the result of our high quality CEIAG provision, which includes personal career interviews, bespoke events and our flagship Aspirations Evening - which last November was attended by over 35 businesses, educators and training providers.

Our CEIAG provision at BBEC supports all students and includes dedicated careers weeks, with assemblies and activities being delivered during form time. There are strong elements of planning and we also audit and evaluate our provisions using the Gatsby benchmarks, Compass Audit Tool and consistently achieve full 100% assessments in most of the eight benchmarks. Our current areas of focus for improvement is Gatsby benchmark 4.

We also build strongly on our legacy of being a Business and Enterprise College and retain strong links with local businesses. In July 2025 we will deliver our "World of Work" which aims to deliver work experience for all of our Year 10 students and further opportunities are provided during Year 11, including engaging with Bradford Manufacturing Week.

Our careers provision at BBEC constantly strives for excellence of provision, inclusion of the needs of every student and being successful – by NEET figures and feedback from our students, parents and wider stakeholders. We are also highly innovative and respond positively to changes in statutory guidance as well as the challenges posed by events outside school.

ABOUT BDAT

Buttershaw Business and Enterprise College is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford and is part of the Diocese of Leeds. BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

Our mission statement

At BDAT we want every child to have a happy and high-quality education enabling them to grow and flourish during their time at school.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable them to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working. We believe this means we are big enough to achieve business economies of scale whist being small enough to retain our family of schools approach where we are truly able to know, understand and support each other.

Our Christian ethos

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

ICARE

At BDAT we have considered the importance, effectiveness and sustainability of how we tackle issues like racism and other types of discrimination across all areas of our MAT and within each of our schools. We have led a Trust wide consultation to ensure we understand what we mean by inclusion and to look at what we can do differently centred around the Trust values: "ICARE". BDAT People: Our Faculty of Professional and Career Development

BDAT People brings together into a single entity all that we currently do to recruit, develop and retain our staff. It provides the strategic direction to ensure that our professional and career development supports school improvement and drives our vision of BDAT as an employer of choice.

By bringing all our work in this area under 'one umbrella' it ensures our staff know about BDAT's development offers and how they can be accessed. https://bdat-people.org/
