About Derby Pride Academy

About Derby Pride Academy Our Mission/Objectives:

- At Key Stage 3: to re-engage students with the curriculum, developing their resilience to successfully transition/re-integrate back into mainstream education. We achieve this through an innovative nurture curriculum that caters for individual needs. Placements are designed for a two term turn-around. Through regular assessment and placement reviews, we ensure commissioning schools are open to either early reintegration, or a placement extension (this is assessed on individual student need)
- At Key Stage 4: to prepare our students for the next stage of their post-16 journey, equipped with the required qualifications and experience. For Year 11 students, placements are for the full academic year. For Y10 students, placements are also for the full academic year, with reintegration or placement extensions available in order to complete the full Key Stage (this is assessed on individual student needs)
- Across the Key Stages we aim to support pupils to be physically, mentally and socially healthy. We want all students to feel valued within our inclusive environment. We work with students, families and commissioning schools to overcome potential barriers to success. We encourage students to be reflective individuals who grow and demonstrate resilience through our school values of Determination, Pride and Ambition.

Derby Pride Academy (DPA) became one of the first alternative provision academy free schools to ever open within the country. DPA offers alternative provision for young people aged 11 - 16 who are referred by their mainstream school or Derby City LA, due to being at risk of permanent exclusion. The academy provides an environment where all students feel understood, valued, and cared for. DPA works in close partnership with students and their families to identify barriers to success and overcome these obstacles.

About Esteem Multi-Academy Trust

Esteem MAT was formed in 2018 and now consists of fourteen academies from the East and West Midlands. Many of our pupils have special educational needs and/or disabilities or are disadvantaged. Therefore, inclusion is our watchword, and our vision is for Esteem to be a learning community of excellence for SEND and alternative provision in the Midlands. However, we want mainstream schools to join us too as they have many pupils with SEND or who are disadvantaged. We want all our pupils to achieve their full potential whatever type of school they attend.

Our vision is to be a Trust that:

- Leads and supports our academies to provide the highest standards of education and development for all our pupils
- Enables academies with a shared sense of purpose to benefit from alignment whilst maintaining individuality
- Provides a strong, collective voice for our academies at a local and national level
- Delivers support and SEND expertise to our academies and to other schools and local authorities
- Our vision will be delivered via our three core strategic aims. Everything we do should be ultimately focused on doing these three things well:

We will provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world.

We will deliver high standards and value for money from our support services, resources, estate and technology.

We will invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

Our people are our most valuable resource. We invest in them by providing high quality specialist training, opportunities to collaborate and develop their careers within Esteem.

We greatly value each school's unique identity, which reflect the diverse needs of the pupils. It is also important to us that our pupils feel they belong to their school community. This is why we believe that our schools need strong leaders and governors who understand their local context. Being part of a family of schools in a trust brings the added benefits of support and collaboration. We know that sharing ideas and working together are the best ways for our schools to continue to improve for the benefit of all our pupils.

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of all its students. We expect all staff, volunteers and agency staff to share this commitment. The successful candidate will be required to undertake a Disclosure and Barring Service (DBS) check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided. Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2024' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared. If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues. Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.

Application process and timeline

Applications are completed online via MyNewTerm via the Esteem MAT [Website](#).

After the closing date, shortlisting will be conducted by a panel who will score your application against the person specification, so please ensure that you read the Job Description and Person Specification carefully before you complete your application form.
