December 2024

Dear Applicant,

Thank you for your interest in the SENCO post at Bohunt School Worthing. We are seeking a flexible and reliable individual. The role of SENCO is an important one. Working as part of a team is an essential aspect of the role, so you must have a flexible attitude to react to different situations throughout the school day and the ability to use your own initiative in various situations.

You are joining Bohunt Education Trust at an exciting time of its development. We have nine secondary schools across four local authorities: Hampshire, Portsmouth, West Sussex and Wokingham; Bohunt Horsham opened in September 2019, and the newest addition, Bohunt Farnborough joined in January 2024. You will benefit from being part of a multi-academy trust offering the support of experienced colleagues across our schools and greater opportunities for career progression for those with both potential and aspirations to progress.

Applying for a new job can come with many questions and we are happy to organise informal discussions to support your decision making. Applications are being handled through our school office; please contact Abi Simmonds asimmonds@bohuntworthing.com who leads the department with any specific subject queries or Karen Calder on 01903 601361, or by email recruitment@bohuntworthing.com with any general queries and for application returns.

If you are interested in the role please apply online today. Please ensure that all periods not in education, employment or training are explained. Your supporting statement should be no longer than two sides of A4. It is your opportunity to tell us a little bit about your personal philosophy of education, why you are attracted to this post, the skills you will bring and any other details which you think are relevant.

Finally, I look forward to receiving your application should you decide that you wish to contribute to the development of Bohunt School Worthing.

With very best wishes,

Paul Collin
