WELCOME FROM THE HEADTEACHER

Dear Candidate

Thank you for your interest in the position of Cover and Attendance Coordinator at Carshalton High School for Girls.

We are an all-girls' secondary school located in Carshalton in the London Borough of Sutton. The school is also part of the Girls' Learning Trust (GLT) which provides excellent opportunities for staff collaboration and career development.

At CHSG our vision is to be:

- A centre that is fearless in its commitment to excellence
- A safe, inclusive learning community where staff and students thrive

Securing high achievement and the wellbeing of students is at the heart of everything we do.

Excellent teaching, a strong pastoral system, high quality support and guidance where staff go the extra distance for students and an extensive range of additional learning opportunities ensure that the needs of every student are met, and each girl maximises her success.

Developing our staff and their wellbeing is also a high priority so we provide a well-resourced environment where staff are supportive of each other and work collaboratively. Staff CPD and development is important in our school and we take our responsibility to develop our staff seriously.

We are seeking to appoint a Cover and Attendance Coordinator to support us in the next phase of the school's development. We need someone who is motivated; a team player with bundles of enthusiasm, a good sense of humour and a passion for working with young people in an all-girls environment.

We hope after reading this pack you are interested in joining our brilliant school and the wonderful CHSG team.

We very much look forward to receiving your application.

Yours faithfully,

Maurice Devenney
Headteacher

OUR TRUST

What is a Multi Academy Trust?

Multi-Academy Trusts (MATs) are where more than two schools have joined to form one organisation, governed by one Trust board. Our MAT is both a registered (exempt) charity and a company limited by guarantee, and since we operate within the state sector, we are regulated by the Education and Skills Funding Agency (ESFA). We receive our funding direct from the government on per pupil basis, and we also generate some income through various additional activities (including targeted capital funding bids, and out of hours lettings), which we invest directly into our educational activities.

What makes Multi Academy Trusts different?

The original academies programme started in 2010 and was intended initially to provide an alternative governance model for schools. Since this process started, many schools have now identified the significant benefits associated with forming partnerships with other schools – enabling cost savings across central services, alongside the ability to invest in strategic roles supporting schools to become more effective. By 'clubbing together', our three schools have access to resources and support that individually they would not be able to afford, and ultimately, we are able to collaborate to provide better outcomes for our pupils.

What is the history of the Girls' Learning Trust?

In 2015, Nonsuch High School for Girls formed a multi-academy trust with Wallington High School for Girls, the Nonsuch & Wallington Education Trust. In 2018, the company changed its name to Girls' Learning Trust (GLT) and later that year Carshalton High School for Girls joined the MAT.

Our schools share many characteristics and are held in high regard by the local community. They are high performing and deliver a broad, balanced and challenging curriculum setting high expectations. Students benefit from being taught by well-qualified, dedicated and committed staff who are experts in girls' education. The Trust benefits from the expertise within an executive support staff team that provides shared services for schools, including Finance, Estates, IT, Procurement, Capital Development Projects, HR, Governance, Audit and Risk. This core team of professionals ensure consistent methods of operation, strong quality assurance and best value across the Trust.

Relationships in the Trust, between staff and students or between colleagues, are built on mutual trust and respect. These relationships drive school improvement and contribute to the wellbeing of everyone. Visitors often comment on the high levels of motivation and positive behaviour of the students, the commitment and professionalism of the staff and the well-equipped school buildings. Strong academic performance is complemented by highly effective pastoral care. We believe in offering a broad experience that goes well beyond the academic, and girls are encouraged to develop their confidence, independence and resilience across a wide range of enrichment and extra-curricular activities.

What makes the Girls' Learning Trust special?

While we work across the Trust to support school performance and ensure value for public money, we believe in allowing our schools autonomy in developing approaches to pedagogy and the curriculum that will deliver the very best outcomes for their students. Nevertheless, our shared values and the many opportunities we have for collaboration across our schools mean that we learn lots from each other and that we remain outward-focussed.

What is it like working at the Girls' Learning Trust?

All of our staff are located at offices in one of our schools, ensuring our shared services gain an understanding of the challenges and opportunities that face our pupils, teachers and school leaders. The environment is fun, fast paced and collegiate. Colleagues join us from all different walks of life and for a host of different reasons. But the one thing that we all share is a passion for education and a desire to make sure young people get the best education possible.

There are some common features to working in any role at the GLT:

- A passionate and dedicated staff team who believe in the transformative power of education and take pride in the positive impact their roles have both inside and outside of the classroom.
- A team of problem solvers who constantly figure out ways to help pupils achieve better outcomes, tackling challenges both big and small together.
- A fun and empathetic environment: staff who support and take care of each other, bringing a sense of humour to the workplace.
- A commitment to professional development: we are proud of our culture of promoting GLT staff within and across our trust and have an excellent record of developing outstanding staff and preparing them for senior leadership.
- A commitment to safeguarding and wellbeing: we operate a rigorous recruitment procedure that includes DBS, medical screening and confirmation of qualifications. And we are committed to ensuring this remains our top priority.

There is a culture of celebration established and reinforced by regular rewards and recognition of students' achievements. Our school values make explicit the traits and behaviours we prize.

Our Curriculum

The CHSG curriculum is ambitious, broad and has been carefully crafted to serve our students. It is made up of five component curriculums, each based on principles of relevance, coherence, communication, confidence and inspiration.

The Subject Curriculum

The subject curriculum is broad, knowledge rich and has a traditional academic core. We prioritise the accrual of powerful knowledge not just for its own sake, but to maximise students' potential social mobility. At Key Stage 3 all students study a core offer of English, Maths, Science and MFL with all students studying History and Geography until the end of Year 9 where they choose at least one to carry forward onto GCSE. The study of STEM, Computer Science, Art, Religious Studies, Citizenship and Music continues into Year 9. At Key Stage 4 all students study Separate Sciences and the vast majority also study an MFL. At Key Stage 5 students typically opt for three A level subjects. The traditional core of our curriculum is complemented by a range of vocation course choices at Key Stages 4 and 5.

Curriculum delivery is consistent across the school. Teaching supported by a CHSG Teaching and Learning Handbook of practical strategies that work in the context of our all-girls school. At Key Stages 3 and 4 the primary curriculum medium is bespoke workbooks produced in-house rather than textbooks and exercise books. This reflects the care, pedagogical expertise and subject knowledge of our great teachers. There is a scheduled CPD programme, most of which is dedicated to working within departments in sessions focussing on successful implementation of the curriculum. Teaching is supported by a whole school behaviour system which is clear and effectual.

The Careers Curriculum

The Careers Curriculum enables our students' successful transition to a future career path. It provides opportunities, through instruction and guidance, to build aspirations, develop capabilities, develop interests to support the making of informed decisions about subject choices and pathways. The Careers Curriculum contains a structured programme of activities to support students during key transition points at 13, 16 and 18 years old.

The Literacy Curriculum

We prioritise a culture of reading, advantaging disadvantaged students who may not read widely at home due to a multitude of cultural, social and economic issues. The Literacy Curriculum is realised in a daily Tutor Reads Programme, wider reading and subject disciplinary reading. These contain carefully selected texts, are sequenced and link across curriculum areas, providing a relevant and coherent schedule.

The Leadership Curriculum

The Leadership Curriculum provides opportunities for students to develop leadership skills through a variety of inspiring, challenging initiatives which impact positively on learning, teaching and well-being for both students and staff. Students are enabled to become effective, influential, and compassionate leaders in society through a range of inspiring leadership

opportunities. The Leadership Curriculum is wide-ranging, inclusive, and accessible to all, particularly our disadvantaged students.

The Pastoral Curriculum

The Pastoral Curriculum is a broad and varied programme which enriches the experiences and improves the outcomes of our students, particularly the disadvantaged both at school, and in the wider life. The Pastoral Curriculum acknowledges that our students are growing up in an increasingly complex world where lives are lived seamlessly on and off-line, and our students are taught of the opportunities and the particular challenges this presents to girls. An excellent Pastoral Curriculum for every student is core to education at CHSG.

Our students also enjoy a full range of co-curricular activities. We stage an annual school production and numerous music evenings. There are numerous successful sports teams and clubs and dance groups. There are a range of societies including crochet, chess, origami and LGBTQI+. A full range of trips and visits has been re-established post-pandemic.

OUR LEADERSHIP TEAM

The Senior Leadership Team consists of three Deputy Headteachers, three Assistant Headteachers, three extended leadership members and five Directors of Faculty, who work closely and supportively to plan for the future development of our highly successful school.
