The Pennine Trust

The Pennine Trust is a vibrant, cross phase multi academy trust which was jointly established by three primary schools and one secondary school in 2018.

Our mission statement ***'creating opportunity, inspiring excellence, shaping tomorrow'*** encapsulates our approach and what we prioritise daily. We want to provide every child in our care with the best possible start in life and motivate them to fulfil their individual potential and make a full contribution to their communities and to society.

Our core values of ***ambition, respect*** and ***collaboration*** are fundamental to our approach and shape all our policies, systems and decisions. We believe building a strong culture is the most important ingredient for success. Everyone working in the trust should be committed to these values and aligned with them. This is essential for us to be a genuinely values-driven organisation.

There are three associated behaviours that follow from each value, which should be exemplified in our conduct and feature in our dialogue with young people with increasing automaticity and, most importantly, authenticity. This helps to build the best possible environment in which all members of our Trust communities can flourish.

Ambition	We are determined to achieve and believe everyone can succeed	Try our best and take pride in what we do
		Be curious and eager to learn
		Persevere and try to bounce back from setbacks
Respect	We are considerate of everyone and our environment	Be polite and use good manners
		Show consideration for the beliefs, rights and feelings of others
		Take responsibility for our own choices
Collaboration	We are a community who believe we achieve more by working together	Actively play our part
		Listen to other people's views
		Support each other to solve problems

This emphasises that our energies go into development of high-quality provision, both curricular and co-curricular, with the needs of the child central to that provision. Our goal is to equip every young person with the knowledge they will need to thrive in the future and to support development of their attributes and talents to their full potential.

Leaders across the Trust adopt an evidence-informed approach to developing all aspects of school provision and are committed to high quality professional development of staff, so that we have an exceptional curriculum and pedagogy in all our schools. High quality pastoral care and support aligned with diagnostic assessment of needs and targeted interventions, help to ensure appropriate provision for every individual.

Safeguarding Statement

At the Pennine Trust, the welfare of children is paramount, and all schools are committed to safeguarding and promoting the welfare of children and young people. We expect all staff and volunteers to share this commitment.

All staff will be expected to take responsibility to safeguard and promote the welfare of children and young people. Staff are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions. Staff should work, and be seen to work, in an open and transparent way.

Attitudes towards promoting and safeguarding the welfare of children and young people will be scrutinised during the selection process for the post that you have applied for. If you are appointed to this post, information in relation to safeguarding and protecting children and young people will be provided at induction. This practical guidance for safe working practice will provide information about which behaviours constitute safe practice and which behaviours should be avoided.

All post holders are subject to an enhanced DBS check. Our policy and practice are in line with the current Department for Education's 'Keeping Children Safe in Education' statutory guidance.
