

'Success for all, through learning together'...

Executive Head Teacher: Mr Anthony Hutchings BEd (Hons)
Deputy Head Teacher: Mrs Gemma Hunt Bed (Hons)

Dear Applicant,

Thank you for taking an interest in our currently advertised post for a part time, permanent 0.6 Class Teacher.

Glen Park Primary is a very successful school, with a strong reputation in the local area. Our aim is simple; to ensure the best possible outcomes in terms of progress and attainment for every pupil, by providing the highest quality teaching and learning possible. We are extremely fortunate to have highly committed and skilled staff who share the common aim of wanting to give every child the best possible start in life. Not only do we strive to achieve the highest level in literacy, numeracy and all-round education, but we also work hard to ensure children are safe, happy and contribute to our excellent standards of behaviour. As a result, following an Ofsted inspection carried out in February 2023, the school was judged to be providing outstanding provision in all areas.

Glen Park Primary became an Academy school on the 1st September 2016 and joined the Westcountry Schools Trust (WeST) in September 2019. The WeST family now extends to 27 schools. WeST holds a firm belief in giving each child every opportunity to learn and succeed in all that they do. While we are a family of schools who share common values and beliefs, all our schools are unique and hold their own identity. We believe that by working collectively, sharing what works well and jointly developing best practice, we are stronger together and can provide the very best education for our children in our geographical area.

Our success is also built upon the foundations of a strong team ethos. The school has a very talented, innovative and dedicated teaching team who are keen to continue learning and developing the quality of our provision. Our work is underpinned by our 'Glen Park Essentials' which outline our core aims and values within the school.

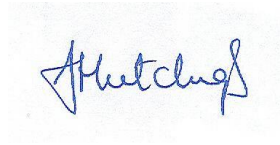

Our children love their school and love to learn. They are friendly, confident and motivated and like nothing more than sharing their learning with visitors to the school. We are committed to ensuring that the children follow a broad, balanced and exciting curriculum. Visitors to the school often comment on the positive atmosphere and how it allows all the children to learn and develop to the best of their ability. We also pride ourselves on fostering positive relationships with our families and community, who play an essential role in developing our pupils' character and their education.

The school has an active and supportive Friends Association that provides valuable items of equipment for the benefit of the children. Many events are organised during the year to provide a mix of social and fundraising activities. We are fortunate to have an on-site Pre - School, which, together with our Breakfast, After School and Holiday Club, are managed privately as 'Buddies Community Interest Company'. Buddies has its own qualified nursery teacher and support staff, some of whom are also teaching assistants or meal time assistants in the school. Buddies is a valuable asset which provides excellent support for many families.

The closing date for applications will be at noon on Wednesday 15th May and we will contact candidates who have been shortlisted for interview following this date. Interviews will take place during the week beginning the 20th May. We strongly encourage visits to the school and these can be arranged through contacting the school office on 339073 or via email at glen.park.primary.school@plymouth.gov.uk

We thank you for your interest in this current vacancy at Glen Park Primary and very much look forward to receiving your application to join our team.

Yours sincerely

A handwritten signature in blue ink, reading "Hutchings". The signature is written in a cursive style with a large initial 'H'.

Anthony Hutchings
Head Teacher
