We are looking for an enthusiastic, talented and driven practitioner to join our school. We are a fully inclusive school and proud to follow 'The Mary Bassett Way'. Our school is welcoming and happy and we all aim to be the best we can be whilst helping each other to achieve great things. The children make positive behaviour choices and enjoy a creative curriculum with real life opportunities provided to enhance their learning experience. We are lucky to have a beautiful site with many opportunities for outdoor learning throughout all year groups.
