Bohunt Worthing Headteacher: Mr P Collin BA (Hons); NPQEL

June 2024

Dear Candidate

### **Re: Teacher of Science at Bohunt School Worthing**

Thank you for your interest in Bohunt School Worthing (BSW). We are seeking an ambitious and inspirational classroom practitioner, NQT or trainee who can teach Science. We wish to appoint an exceptional individual who has the necessary skills and attributes to have a real impact upon Science learning and teaching at Bohunt Worthing. Potential is as important as experience so applications are invited from NQTs as well as more experienced colleagues.

Since opening, 8 years ago, we have made excellent appointments across our highly motivated teaching team, who have keenly seized the opportunity to build from scratch and consider doing things differently. My most important priority is getting the best staff appointed and potential is as important as experience. Successful candidates will have the ability to innovate, need to understand how to motivate young people, be able to take initiative and have a genuine commitment to supporting the personal and social development of pupils. In turn we will provide a supportive learning environment, offer you the opportunity to make a difference and actively promote your career development. All staff receive a laptop and iPad to support your ability to deliver our curriculum.

You are joining Bohunt Education Trust at an exciting time of its development. We have nine secondary schools across four local authorities: Hampshire, Portsmouth, West Sussex and Wokingham; Bohunt Horsham opened in September 2019, and the newest addition, Bohunt Farnborough joined in January 2024. You will benefit from being part of a multi-academy trust offering the support of experienced colleagues across our schools and greater opportunities for career progression for those with both potential and aspirations to progress.

Applying for a new job can come with many questions and we are happy to organise informal discussions to support your decision making. Applications are being handled through our school office; please contact Karen Calder on 01903 601361, or by email [recruitment@bohuntworthing.com](mailto:recruitment@bohuntworthing.com) with any general queries and for application returns.

If you are interested in the role please apply online today. Please ensure that all periods not in education, employment or training are explained. Your supporting statement should be no longer than two sides of A4. It is your opportunity to tell us a little bit about your personal philosophy

Proud to be part of the Bohunt Education Trust
