Dear Applicant,

Thank you for your interest in the position of Teaching Assistant at Wigmore Primary School.

Wigmore is a 3-form entry primary school on the outskirts of Luton. We are proud of our pupils; they are friendly, kind, polite and keen to learn in their environment.

We are lucky to have good support from our parents and work well in partnership with them. Our governing body works hard and is very supportive of the school and staff. We work well together to achieve good outcomes for pupils.

We pride ourselves on the support given to developing staff skills, with coaching, mentoring and training offered to develop these skills.

Our aim at Wigmore is to ensure all pupils leave us with a sound knowledge and confidence, taking them on to high school and further, enabling them to fulfil their ambitions.

If you feel you would like to be a part of this, it would be really great to hear from you. You are very welcome to visit us before submitting your application.
