## Why Danemill Primary School?

We are a school committed to celebrating our community and enjoy strong, collaborative partnerships. We learn about the history of our school and work to create our own memories. The village of Enderby was originally a Danish Settlement, hence the name of the school, Danemill Primary. The school was originally built in 1965 as a junior school, the local infant school was based on Townsend Road and in 2013 the two schools merged onto one site.

At Danemill, we believe that a happy child is a child who will enjoy learning in a positive, inclusive and fun environment. Our aim is to ensure that each and every child fulfils their potential and is ready for the next stage in their education. Our key learning values which are woven through are curriculum, are curiosity, communication, reflection, resilience, motivation, creativity, collaboration and bravery.

Danemill is proud to be a part of Discovery Schools Multi Academy Trust. The Trust consists of fifteen schools who work closely in partnership together for the benefit of all of our children.

”

I feel privileged to see the constant strive for excellence through the securing of trusted relationships between colleagues.

## Our vision

**Regardless of your role within Discovery, we are working for something bigger.**

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

## Our vision

### Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localized set of values to ensure their community is engaged and successful.

## Inclusion

Include, value and respect each other

- We create a community that is welcoming and inclusive of all
- We increase the presence, participation, and achievement of all.

## Sustainability

Act and think about the sustainability of all our actions

- We make decisions based on long-term impact rather than short-term gains
- We take actions to reduce impact on our environment and raise awareness with adults and pupils

## Partnership

A willingness and desire to work effectively with others

- We learn from organisations outside of your setting to improve your practice.
- We create impact which is not possible by working in isolation.

“Our pupils deserve the very best, every day, and that as a Trust is what we strive for.”

**David Briggs, Director of Primary Education**

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

**Jane Pinborough, HLTA Kibworth CofE Primary School**

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the senior leadership team. My ideas are heard, challenge but ultimately met with positivity.”

**Nathan Odom, Head of Estates**
