Why Mowmacre Hill Primary School

Our school is a fantastic place to be – we have a dedicated team who support our children, we strive for excellence and are united in providing experiences that will support children in their life-long learning.

We encourage all children to have high aspirations – giving them experiences and a voice to aspire to what ever they wish to be. The well-being of our children is equally important to us and we put this at the heart of everything that we do for our pupils and their families. Our well-being team are well known in the community and provide a service that enhances, nurtures and supports our families where and when needed.

We work hard to ensure that our environment is safe and secure but also bright and colourful that reflects the high-quality learning that takes place. We strongly believe that children will achieve their full potential when they also have the support of their parents and local community, therefore as a school we work hard to build these relationships.

Mowmacre is a fantastic place to work: it has such a family feel to it. The staff and children make a real effort to get to know you and make you feel like part of the family from the moment you step into the building. SLT are supportive, approachable and their door is always open if you need anything at all. It's a great school work at - come and find out for yourself.

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localized set of values to ensure their community is engaged and successful.

Inclusion

Include, value and respect each other

- We create a community that is welcoming and inclusive of all
- We increase the presence, participation, and achievement of all.

Sustainability

Act and think about the sustainability of all our actions

- We make decisions based on long-term impact rather than short-term gains
- We take actions to reduce impact on our environment and raise awareness with adults and pupils

Partnership

A willingness and desire to work effectively with others

- We learn from organisations outside of your setting to improve your practice.
- We create impact which is not possible by working in isolation.

“Our pupils deserve the very best, every day, and that as a Trust is what we strive for.”

David Briggs, Director of Primary Education

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the senior leadership team. My ideas are heard, challenge but ultimately met with positivity.”

Nathan Odom, Head of Estates
