

Chapel Street Nursery School

Playing Together, Exploring Together, Learning Together

Values

- We are a fully inclusive setting and respect the child for who they are and where they come from.
- We value parents as the first educator of the child and develop strong links with our families.
- To ensure Chapel Street is a safe and healthy setting where our children enjoy attending.
- To value our staff and ensure they are well trained and up to date with current research.

Ethos

- We endeavour to instil a lifelong desire to learn by providing high quality teaching.
- We strive for brilliance.
- We will start from where a child is in their development and their interests. Identify next steps to extend children's skills and help them reach their full potential and be confident and social young people.
- We know that children learn through play and exploring and we will provide opportunities for children to play and explore both indoors and outside.
- We foster independence in our children giving them freedom of choice; we encourage them to manage risk.
- We work towards being a valued part of our community providing services that meet the needs of our families.
