Tudor Grange Primary Academy - Meon Vale is a free school that opened its doors in a new, purpose built two-form entry building in September 2021 after being in a temporary building over the previous two years. The Academy sits in the heart of a new housing development at Meon Vale and is a growing school. In September, the Academy will include a Nursery class and a one-form entry intake from Reception through to Year 5. The Academy will grow into a two-form entry organisation over successive years.

We are looking to appoint a highly competent and enthusiastic individual in Reception and KS1 to join our growing school community. Experience and expertise in supporting pupils with neurodivergent needs and an understanding of strategies to support pupils with attachment needs is essential.

The successful candidate will be required to support teaching staff in the delivery of a quality curriculum in line with the vision and ethos of the school. The role will require the successful candidates to be:

- enthusiastic and hardworking, and flexible in their approach
- knowledgeable about the primary national curriculum
- excellent users of the English language both orally and in writing
- aspirational about our children's progress and success
- an example of personal integrity and professionalism
- autonomous in their work, following all Academy policies, specifically in relation to safeguarding, child protection and confidentiality.
