02. Career Testimonials

Donovan Stansbury | Teaching Assistant

ATT has helped my career from the very beginning of my adult life. I started my career at Mildenhall College Academy on a Teaching Assistant Apprenticeship, provided by ATT FE. Now with my knowledge and understanding of my role I can succeed further with the support of ATT. I have completed my apprenticeship and now have a full-time role as Teaching Assistant at the academy. My next step is to start an OU degree, again something I will do with the full support of ATT.

Samantha Chilton | PA to Principal

During my 14 years at Bristnall Hall Academy, I have been fortunate to have had various roles within the academy. I joined as a Learning Support Practitioner, supporting SEND students in the classroom, however 7 years ago developed my career further to become an Attendance Officer. The transition from LSP to Attendance Officer was well supported by the academy and ATT through a range of CPD, as well as the opportunity to work with colleagues across the Trust to share best practice.

More recently, I have become PA to the Principal, and with the support, guidance, and advice of my colleagues within the Trust, have been able to develop my skills and knowledge to enable me to carry out my role effectively.

Nicola Powling | Faculty Leader, Humanities

Since joining Mildenhall College Academy three years ago, I have been well-supported in my development as a middle leader and with the guidance and advice of senior leaders in the academy I have been able to demonstrate significant impact on the quality of teaching and learning in the Humanities subjects. Last academic year I chaired the Eastern TNG for History, which has given me the opportunity to work with colleagues across the Trust and share best practice. Most recently, I have been seconded to the senior leadership team with a responsibility for teaching and learning; this is an opportunity to continue my career development and to gain insight and experience in senior leadership.
