Wood Green is an oversubscribed 11-18 Academy school in the thriving town of Witney, close to the Cotswolds and with excellent transport links to Oxford and London. Our strong reputation and results improving year-on-year have led to a rapid rise in student applications. We believe strongly in a culture of mutual respect and strong relationships, underpinned by our LEARNWell values. Our school mission is “to develop exceptional, well-qualified and well-rounded young people who make a positive contribution to our school, our community and the world”. This demonstrates our commitment to the whole child, academically and personally.

We are now looking for a talented and enthusiastic teacher to lead Computing provision across our school. This is a permanent full-time post from September 2025. Computing is increasingly popular at KS4 and A level Computing was introduced in 2022. This is an excellent opportunity for a committed, passionate teacher who can teach up to KS5 and who is ready to lead curriculum development in this crucial subject.

If you are interested in the post but the specific conditions do not exactly match your requirements, please feel free to contact us via hrwest@acertrust.org.uk in advance of your application and a member of leadership team will be pleased to speak with you. Otherwise we can discuss specific details during the interview process.

We are looking for staff who:

- Want to be excellent practitioners in their subjects
- Want to inspire students to learn and grow, both in and out of the classroom
- Are keen to collaborate to achieve our shared aims and to develop best practice, and to find solutions to our challenges together
- Want to keep learning and growing throughout their career
- Are committed to helping all our young people to be exceptional, well-qualified and well-rounded people who make a positive contribution to our school, our community and the world

What we will offer:

- A school where staff 'value the care and consideration that the school takes regarding their workload' (Ofsted October 2024)
- Committed department teams with the autonomy to innovate, within an effective aligned approach to teaching
- Access to high quality CPD

- A genuine commitment to staff wellbeing – wellbeing is a core value and staff wellbeing is one of our strategic priorities. We care about our staff as teachers and as people.

The closing date is 23 January 2025 at 12pm.
