The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one “family” and it being a “real community”. We are very proud of our school and believe it is a place where you can really teach and develop to attain the highest educational standards. We are regularly named in the top 10 performing schools in London by The Times Newspaper.

We are seeking to appoint a Head of Department of Economics and Business Studies to join this energetic and friendly department, who would enjoy working with highly motivated and intellectually curious students at all levels. The Economics classroom at Latymer is a delightful and stimulating environment, which fosters a culture of mutual respect and academic inquiry.

The department works together to motivate students and deliver an innovative curriculum; every student is encouraged to achieve more than they believed possible. The department’s exam results are consistently high at both GCSE and at ‘A’ level and were excellent for 2022-23.

If you would like to join this hard-working, able, and effective team of committed teachers, we would like to hear from you.

The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory ‘Enhanced with a Barred List Check’ through the Disclosure and Barring Service.
