

# St John Fisher Catholic Voluntary Academy

## Head of Mathematics

### Leadership Group 8-12

We are looking for an inspirational classroom practitioner to lead our mathematics department. We need someone with the drive and determination necessary to relentlessly improve standards in our rapidly improving school. Significant leadership development training will be available and as such, this role would suit someone who aspires to senior leadership with the next few years. I believe this could be a career defining opportunity for the right person.

This is an outstanding opportunity for the right candidate to take a pivotal role in driving the future of St John Fisher on its journey to becoming a great school. You will have enjoyed a range of experiences to date that will have prepared you for this role. You will be an outstanding Mathematics teacher who can demonstrate a track record of raising standards and importantly, be child centred and able to inspire young people to be the best that they can be. You will have the highest expectations for our young people, staff and our wider community, underpinned by our Catholic ethos and mission and aligned with our Catholic virtues.

A range of exceptional leadership development opportunities will be available at St John Fisher and through our collaborative programme with one of the country's top performing MATs.

St John Fisher Catholic Voluntary Academy is an 11 – 18 school and part of the Blessed Peter Snow Catholic Multi- Academy Trust.

If you want to work in an Academy where you can make a real difference to young people's life chances, whilst working within a partnership of Academies, committed to cooperation and collaboration to unlock talent and fulfill potential, then this post is just right for you. In return you will be supported and encouraged to develop further and enjoy a long and rewarding career working across the Blessed Peter Snow Catholic Multi-Academy Trust.
