

## **Hello from the CEO**

Dear Potential Employee,

We are a vibrant organisation, looking for dynamic people to grow our trust, invest in our young people and have fun while you do it!

At St Barnabas, we believe that our people are our greatest asset. Each person brings a unique set of skills and perspectives that contribute to our *Bring It!* vision and values.

We embrace opportunities for growth, collaboration, innovation and a wholesome love for the outdoors!

Our 'Bring It!' vision requires us to ensure our pupils are excited by and fully engaged in their learning and school experience more widely. We support them to use their talents to create positive school memories with their friends that will remain with them for the rest of their lives.

Our aim is to inspire a lifetime of adventure!

If this sounds like something you would like to get behind, we encourage you to join us and ...

**Bring Courage! Bring Creativity! Bring Friendship!**

Bring It! Forever
