Welcome from our CEO, Mark Woods

Thank you for your interest in joining the Meridian Trust family.

The success and growth of our Trust has been based on remaining focused on some critical principles:

- Every child is known, equally valued and supported to achieve their potential in all our academies. Every community we serve benefits from the facilities and services we provide.
 - Our staff benefit from strong networks, excellent career opportunities and a human approach where they are equally valued and supported.
- We ensure that well-run schools retain and develop their distinct contextual identity, while sharing and contributing to our common values, practices, curriculum approaches and operational systems.

Since 2011, thanks to the fantastic work of our staff, our Trust has grown from 1 to 30 academies whilst retaining our focus on working within an area that enables easy movement between our schools. From first developing an application in 2007 to open schools in the new town of Northstowe, we have been committed to the vision of being an all-through and all-inclusive Trust. Our Trust currently consists of 14 primary schools, 13 secondary schools and 3 special schools. We are also currently developing 3 free school projects within our region.

Meridian also plays a key role in the wider development of education in the region. We are the home to the Cambridge and Peterborough Teaching School Hub and operate a vibrant Initial Teaching Training provider that trains upwards of 100 teachers annually. In addition, our commitment to the local community as an extension of our village college ethos means that we host a range of activity in our schools, including providing leisure and educational opportunities.

If being part of a dynamic, compassionate and dedicated group who believe we can really improve young people's life chances and opportunities by working together appeals to you, we very much look forward to receiving your application.

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 30 academies (including 14 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, six 11-16 schools and five 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff

throughout their training and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.

About Us

Weldon Village Academy will be the thirteenth secondary school in Meridian Trust and will grow to become a school of 1500 students, including a 6th form of 300. Situated in a new and growing housing estate in Weldon, approximately 2.5 miles from Corby town centre, it will be one of the most technologically advanced schools in the country. The school will be fully built upon opening, rather than a modular build, with excellent sporting facilities including a full-sized sports hall. We are excited to begin this new journey for the trust and the young people of Weldon and the surrounding area, and hope that you will apply to join us on this unique journey.

Weldon is a suburban village and civil parish on the eastern outskirts of Corby, Northamptonshire. The village is listed in the Domesday Book as 'Weledene', in the Colby Hundred. In 2001 the parish's population was 1,644 people, increasing to 2,099 in the 2011 Census. Weldon is growing at a rapid speed with the arrival of the new building developments 'Weldon Park', 'Winchelsea Gate' as well as 'Priors Hall' located on the outskirts of the village.

There are regular bus services from Weldon to Corby and further afield (X4 Milton Keynes – Peterborough – Milton Keynes).

Corby lies to the north of Northamptonshire and is the 11th smallest local authority in the UK, it covers 31 square miles and is situated in the heart of England with excellent road links via the A14 to the M1, M6 and A1, together with a direct passenger rail service to London. Corby has been named as the fastest growing borough outside of London, with a population (standing at 72,200 in 2019 according to Nomis) which is expected to continue increasing as the borough continues to grow.

The town was at one time known for its steelworks. Recently, Corby has undergone a large regeneration process with the opening of Corby railway station and Corby International Pool in 2009 and the Corby Cube building in 2010.

Safeguarding

Please note that we do not accept CVs – any received will not be taken into consideration during the shortlisting process. Weldon Village Academy is committed to safeguarding and promoting the welfare of children and young people. In order to meet this responsibility, the school follows a rigorous selection process to discourage unsuitable applicants. This process is outlined below.

Disclosure: All applicants for employment are required to disclose any previous ‘unspent’ criminal convictions and any cautions which have not expired, or any pending prosecutions. In addition, the job you are applying for is exempt from the provisions of the Rehabilitation of Offenders Act 1974 (exceptions order 1975) which requires you to disclose all spent convictions and cautions Except those which are ‘protected’ under Police Act 1997 – Part V and the amendments to the Exceptions Order 1975 (2013) and are not subject to disclosure to employers on DBS certificates and cannot be taken into account. Guidance on the filtering of “protected” cautions and convictions which do not need to be disclosed by a job applicant can be found on the Disclosure and Barring Service website. The information you give will be treated as strictly confidential. Disclosure of a conviction, caution, warning or reprimand will not automatically disqualify you from consideration. Any offence will only be taken into consideration if it is one which would make you unsuitable for the type of work you are applying for. However, offences relating to children are likely to make you unsuitable since this is a “regulated position” under the Criminal Justice & Courts Services Act 2000. The school’s policy on the recruitment of ex-offenders is available on the school website. If you fail to disclose any relevant offences or give false information then it will disqualify any offer of employment, or result in summary dismissal if you are in post, with possible referral to the police. Confirmation of appointment is subject to a satisfactory Enhanced DBS Certificate.

Shortlisting: Only those candidates meeting the person specification criteria will be taken forward to interview. NB: CVs are not accepted.

Interview: Those shortlisted will take part in an in-depth interview process – candidates for teaching posts will be required to teach a lesson as part of the interview process. Candidates will be asked to address any discrepancies, anomalies or gaps in their application form. We reserve the right not to take a candidate forward to formal interview if they are deemed unsuitable for the post.

Reference checking: References from the previous and current employer will be taken up for shortlisted candidates, and where necessary, employers may be contacted to gather further information.

Probation: All non-teaching staff will be subject to a probation period of six months. The probation period is a trial period to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the school with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with students. The information collected on the application form will be used in compliance with Data Protection regulations. By supplying information, you are giving your consent, if appointed, to the information being processed for all employment purposes as defined by statute. The information may be disclosed, as appropriate, to the governors, to Occupational Health, to the Teachers Pensions Agency, to the Department for Education, to pension, payroll and personnel providers and relevant statutory bodies. This form will be kept strictly confidential but may be photocopied and may be transmitted electronically for use by those entitled to see the information as part of the recruitment process.

When the recruitment process is completed, the application form will be stored securely for a maximum of six months then securely destroyed, unless you are employed as a result of this recruitment process, in which case this application form will be retained as part of your personnel record.

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.

All staff will be subject to an enhanced check with the Disclosure & Barring Service.
