Nurturing inclusive learning communities

Evolve Academy is a KS2 and KS3 school that supports students with wide-ranging Social, Emotional and Mental Health (SEMH) needs. We currently have two school bases: one in Wakefield and the other in Castleford. Some of our students have been permanently excluded from Wakefield primary or secondary schools. We also work in partnership with Wakefield mainstream schools to offer a 12-week placement for students who may require short-term step-out provision before returning to their mainstream school.

Our aim is to provide a supportive and nurturing environment that will enthuse and engage students in education. We strive to ensure that our students have clear pathways to their next educational setting, supporting schools to ensure that their varying long-term needs can be effectively met, whether this is in a mainstream or more specialised school environment. Our long-term aim is for students to be empowered to develop into responsible citizens beyond their school years.

I started working for Ethos College around 11 years ago as a Grade 7 inclusion worker. It was an immensely enjoyable and rewarding position. I loved the fact that I could support the social and emotional development of young people and be able to have the ability to make a huge impact on their lives. I was inspired by our talented team and decided to combine my passion for science and education to train to become a qualified teacher. Ethos College supported me all the way and when a position became available, I applied and was proud to take up the post of science teacher. Since then, I have not looked back! I then moved into a leadership role at Ethos College. From September 2023, I moved to the position of Head of School at Enrich Academy. Working at Ethos Academy Trust and being part of the transformation of the lives of our young people is an absolute privilege.

EMMA McMANUS, HEAD OF SCHOOL - ENRICH ACADEMY

I was inspired to pursue a career with children who have SEMH needs through my experience of teaching music as an unqualified Teacher. I joined the Trust thirteen years ago as an Inclusion Worker and was subsequently promoted to Senior Inclusion Worker, before being supported to secure a teaching qualification. More recently I was able to complete training to become a SENDCo and I am currently SENDCo for Reach Academy. The Trust and management team within Reach Academy not only supported my ambition to become a fully qualified Teacher, they continue to offer opportunities for my ongoing personal and professional development.

SARAH SIMMONDS, SENDCO - REACH ACADEMY

During my 8 years of employment with Ethos Academy Trust, I have been supported to access a number of professional opportunities and, after securing a teaching role, I became a member of the Senior Leadership Team at Ethos College and was supported in undertaking the NPQSL to help me enhance my leadership skills, understanding and practice. From January 2024, I moved to the position of Head of School at Reach Academy.

The Trust is committed to providing relevant and meaningful professional development opportunities to support the career progression of the staff team. I have always felt highly valued and supported by the Trust in everything that I do. It is an absolute privilege to work for a Trust that is so invested in supporting its staff to be the best that they can be and help to transform the lives of so many young people.
