## Welcome from the Head Teacher

Thank you for your interest in this exciting opportunity to join St Augustine's Catholic College. As a Catholic Lasallian College, we are part of a global network of educational institutions inspired by St. John Baptist De La Salle, the patron saint of teachers. His mission was to provide the highest-quality education to those most in need, always honouring the dignity of each child as a 'son or daughter of a great King.' We strive to live by this vision every day, fostering a welcoming environment where all students and staff feel valued and included.

We are seeking passionate and aspiring colleagues to join our dedicated staff team and make a meaningful contribution to our community. At St Augustine's, we are committed to sustainable growth and improvement in a constantly evolving world. Our recent OFSTED inspection highlighted this commitment: "The desire to provide educational opportunities which make individuals the best that they can be drives all that the school does." For us, this means not only achieving academic excellence but also nurturing well-rounded individuals who are ready to make a positive impact on society.

In recent years, our journey of continuous improvement has led to a complete revision of our curriculum, the introduction of an incremental coaching programme for all teachers, and the development of a behaviour system that ensures students can learn in a disruption-free environment. Central to our mission is our focus on inclusion, which seeks to ensure that every learner can access the curriculum and the opportunities they deserve and are entitled to. St Augustine's is consistently a high-performing school, with academic achievements well above national averages, reflecting both the quality of our education and the dedication of our students.

Our recent OFSTED report also noted, "Staff feel proud to work at the school. Early career teachers receive appropriate guidance and feel well supported." If you join us, you will be entering a supportive and challenging environment where you can grow professionally while sharing your talents with our vibrant community.

We look forward to learning more about what you can bring to our team and how we can support you on your journey to reaching your full potential.

# Our Values and Purpose

## Our Values

Taught by Jesus Christ, faith, hope and love inspire everything we do. We aim for the highest standards of learning, and look for the development of wisdom. In this way, the gifts possessed by every individual can be valued.

## Our Purpose

St Augustine's exists to provide a Catholic education in order to develop independent citizens of the future.

"Develop" because those who come to St Augustine's are individuals, each with their own quirks and characteristics. We do not aim to produce clones.

"...Independent ..." because self-respect, self motivation and courage are required if one is truly to live one's life according to the teachings of Jesus Christ.

"...Catholic..." because we believe that the Catholic faith provides the best guidance for living a fulfilled adult life, for members of the Catholic church as well as for non-members.

"...Citizens ..." because education is a gift whose fruit is to be re-invested in society: we are called to serve others in whatever way we can. Liberty and Equity cannot be absolute values, but Fraternity can.

"...of the future..." because, if we get it right, our leavers will be applying the lessons learned at St Augustine's for decades to come; in that time they will use the skills they have acquired to learn, unlearn and relearn the things they will need to know to face the challenges that the future brings.

# Safeguarding Statement

We recognise that the welfare of the child is paramount and take seriously our responsibility to safeguard and promote the welfare of the students in our care. The college believes that all children and young people have the right to grow up in a safe and caring environment, which includes the right to protection from all types of abuse.

Governors and staff in this college understand the importance of working in partnership with children, their parents/carers and other agencies in order to promote children's welfare.

## About the role

Secondary school invigilators play a vital role in supporting the smooth running of exams, ensuring a fair, secure, and well-organized environment for all students. This is an excellent opportunity for individuals who are reliable, professional, and able to maintain a calm and focused atmosphere during exam sessions.

Invigilators are responsible for upholding the integrity of the examination process by following strict protocols and procedures. This includes supervising students, distributing and collecting exam materials, and handling any issues that arise during the examination period.

We are currently looking to expand our team of invigilators to meet the growing needs of our school. These are casual, part-time roles paid at a competitive hourly rate. Invigilators are typically required during the main GCSE and A-Level exam periods in May and June, as well as at other times throughout the year to cover mock exams and internal assessments.

If you are organized, detail-oriented, and committed to supporting students through this crucial stage of their education, we would love to hear from you.

Full training will be provided, and successful candidates will be required to adhere to our school's safeguarding policies and undergo background checks.

## A Career at St Augustine's

St Augustine's Catholic College is seeking to appoint outstanding individuals. Staff are our most valued asset and we aim to support them both in their current roles and to develop them for future careers. Working alongside the teaching staff, we have a skilled support staff team who perform vital roles within the College. Continuous professional development plays an important role in ensuring that the quality of teaching is very high within the College. There are many opportunities for development, with staff working collaboratively with neighbouring secondary schools within the area.

### **Professional Development**

We are an SSAT leading edge College and use the TEEP model as a framework for Teaching and Learning, and development of outstanding practise.

At St Augustine's, we tailor CPD to an individual's aspirations and make sure that lesson observations are developmental and thoroughly supportive. We run pop up hotspots led by staff, to coach and mentor one another, encouraging a culture of collaboration.

All support staff meet annually with their line manager to discuss their career aspirations and how the College could help support those. There is a well-developed induction programme to ensure that new staff settle in well and any additional needs are discussed. Training courses on a wide range of topics are available and the College is always open to consider appropriate professional qualifications. Staff are encouraged to join supportive peer groups which may be comprised of local or national colleagues working in a similar role and the College works hard to foster links with other local schools to share ideas and support each other. Support staff are considered integral to the successful running of the school and are expected to take part in whole school training and team building events where appropriate.

### **Cyclescheme**

St Augustine's Catholic College is a registered employer of the Cyclescheme which is the UK's most popular Cycle to Work benefit, providing staff members with the opportunity to purchase a bike of their choice, tax free. Staff can save 25-39% of the cost of a new bike and accessories whilst also spreading the cost. Payments are deducted via payroll over a term of 12 months.

### **Staff Wellbeing**

A Staff wellbeing group has been set up, giving opportunities for staff to suggest strategies that would possibly impact wellbeing, alongside regular wellbeing audits. We pride ourselves on being a family-centred College, with policies such as Shared Parental Leave and Flexible Working to reflect this.

We understand the importance of a healthy work/life balance so we make sure that there is minimal report writing and data capture is measured and timely – we report progress two or three times a year (depending on year group). We also have a marking and feedback policy that considers a teacher's workload and is tailored to each individual department.

### **Pension Scheme Contributions**

The Local Government Pension Scheme (LGPS) is available to all support staff and is a Defined Benefit pension scheme based on your salary and how long you have paid in. It offers a secure income for life which increases every year in line with inflation. The College pays in a large percentage to ensure that your fund is sufficient at the time you retire.

Benefits are:

- You will receive tax relief on the contributions you pay (calculated as a % of your annual pay)
- You have the option to increase your own contributions
- There is a 50/50 option where you can pay half of your normal contribution in return for half your normal pension when times are financially tough
- Your family receives immediate life cover and there is a pension for your spouse or partner and eligible children in the event of your death in service
- If you become seriously ill you can take your pension straight away

### **Pension Scheme Contributions (cont'd)**

The Teachers' Pension scheme is available to all teaching staff and is a Defined Benefit pension scheme based on your salary and how long you have paid in. It offers a secure income for life which increases every year in line with inflation. The College pays in a large percentage (currently 23.68%) to ensure that your fund is sufficient at the time you retire.

Benefits are:

- You will receive tax relief on the contributions you pay (calculated as a % of your annual pay)
- You have the option to increase your own contributions

### **Support**

The school calendar and training is planned in advance across the whole year so people know what is happening and when. We have a highly effective and proactive support staff that play an important role in supporting teaching and learning, including an in-house cover supervision team.

### **Community Focused**

At St Augustine's we are a community working together with a common purpose and motivation. An important part of working together as a community involves valuing each other, working together and living in friendship; empowering us all to be the best we can be.

Our aim is to ensure that all staff feel welcome, recognised and valued as members of our inclusive Christian community. Every member of staff is treated with equality, dignity, and respect; staff are protected from discrimination, and diversity is embraced.
