Welcome from the HR Central Services Team

We are delighted you have expressed interest in a vacancy with The Pinnacle Learning Trust. Should you have any questions over the position or the application form, please contact the Human Resources Department for assistance on 0161 287 8001.

All completed applications must be returned by 12 noon on the closing date on the advert.

We cannot accept information held on CV's and therefore your application and accompanying statement must show all information about yourself and how you meet our requirements, using the job description and person specification will assist you with this. Please provide a day-time contact number on your application form.

You should remember to include information on all your previous employment roles and qualifications gained from secondary school onwards, covering any gaps in employment which are longer than 2 months, detailing what you were doing and how you were supported.

Teaching staff roles only are requested to provide results from the last three academic years within the application process.

In the meantime, may we take this opportunity to thank you for your interest in working with us and we look forward to receiving your completed application.

Best regards,
HR Central Services

*If you require this or any of the documents in an alternate format please contact a member of the Human Resources Department.

Maths, Computing & ICT

In our curriculum area, we pride ourselves on doing an exceptional job. We place teaching and learning at the forefront of everything we do, and students benefit from a modern and innovative approach to course delivery. We continually strive to keep abreast of new research and teaching techniques, and we are relentless in ensuring our young people are well supported. The team works closely together and benefits from a clear culture where consistency and quality of experience is prioritised for all students - we work to inspire them and to develop in them a love for the subjects they study. This is enhanced through the extra curricular activities they can engage with such as the Senior Maths Challenge, and through the industry links we have nurtured with the likes of KPMG, IBM, AstraZeneca and Land Rover/Jaguar.

We promote and encourage our teachers to engage in further staff development in a variety of ways ranging from subject specific knowledge improvement in software and programming language updating, to leadership development and NPQ qualifications. We pride ourselves on being at the cutting edge because how else will we transform the lives of our young people? The Maths, Computer Science and IT area offers a range of A Level, Vocational and Level 2 subjects, including A Level Maths, Further Maths, Computer Science and Statistics, our vocational courses include Extended, Single and Level 2 IT, as well as the innovative T Level Digital qualification. These subjects provide students with the practical, theoretical, and real-world skills required to pursue high level university entry and careers in a variety of associated fields. We have a love of teaching and we have a proven track record of excellent outcomes. At the core of it all is the development of student resilience, independence and problem-solving skills. Students in our area learn to think critically, to analyse complex concepts, to understand the relationship between previous learning and current application, and to communicate their own reasoning and solutions with academic rigour.

Our Special Ingredient

Our enthusiasm, teamwork, and dedication to motivating and stretching students are the golden threads that run through all of our departmental interactions. Working closely together with the spirit of true collaboration driven by a strong sense of moral duty and a life changing sense of purpose, we create an environment of support which enriches us and makes coming to work each day feel absolutely worthwhile.

Job Description & Person Specification

Subject Tutor

Salary Grade: SFC A Teaching Scale

Purpose of the Role

Under the guidance of the Curriculum Area Leader (CAL) to deliver outstanding teaching and learning in the context of the College mission to ensure the students make excellent progress and are successful in their studies.

Summary of Main Duties and Responsibilities:

- To undertake an appropriate programme of teaching in line with College's Teaching and Learning policy.
- To contribute to the planning activities of the Curriculum Area to ensure the needs of the students and the aims and objectives of the College are met.
- To contribute to the development of resources, schemes of work, marking policies and teaching strategies for the subject area.
- To ensure that lessons address the literacy, numeracy and specific learning needs of students.
- To undertake assessment of student work in line with the College's Assessment policy and monitor student progress against targets and report to parents and College management.
- To communicate effectively and professionally with students, staff and parents.
- To maintain accurate and up-to-date records relating to students in accordance with the Data Protection Act.
- To actively monitor student absences and behaviour and take appropriate action as required.
- To keep abreast of subject and syllabus developments nationally so as to inform curriculum planning in the area and ensure teaching and learning is relevant and up-to-date.
- To contribute to the overall work of the subject within the College, including trips and visits, enrichment programmes and extra-curricular activities as appropriate.
- To contribute to the College liaison and marketing activities, eg the development of effective subject links with partner schools and employers, attendance at Information Mornings and other partnership activities and the collection of materials for press releases.
- To liaise with higher education, industry, examination boards, awarding bodies and other external agencies where appropriate.
- To ensure the effective operation of quality assurance systems and implementation of quality procedures.
- To attend departmental meetings.

Requirements of all Staff:

- To promote and uphold the College's Mission Statement, values and strategic aims objectives.
- To comply with College's policies and procedures, including those relating to health and safety, safeguarding, welfare and security.
- To work positively with colleagues, students, parents and other partners, regardless of their gender, ethnicity, sexuality, age or disability.
- To attend briefings and staff meetings as required.
- To participate in the College Performance Management Review scheme and undertake professional development and training as required.
- To be a positive role model and to take responsibility for promoting good standards of behaviour and conduct.
- To undertake other duties that are in accordance with the purpose and grade of the post as agreed with the Principal or Deputy Principal.

Commitment to Safeguarding

The Pinnacle Learning Trust is committed to safeguarding and protecting the welfare of children and young people and expects all staff, governors and volunteers to share this commitment. Applicants must be willing to undergo pre-employment checks. Safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed. This post is subject to an enhanced Disclosure and Barring Service (DBS) check. The Pinnacle Learning Trust is an Equal Opportunities Employer and welcomes applications from underrepresented groups and ethnic minorities.

“Educational organisations can often have a culture that is somewhat bureaucratic and punitive, but our trust isn’t like that. We have a human side, which we show in abundance, and we really support each other. Things like behaviour management, for example, are a team effort - no-one is just left on their own.”

Rebekah Sutcliffe, Trustee and former senior police officer and director in local government
