

Recruitment Pack

Welcome

from the Chief Executive Officer

Dear Applicant,

I am delighted you are considering joining us at Lime Trust. This is an exciting time to join our Trust, I joined in April 2022 and since then we have been reinvigorating all areas of the Trust.

We have an expanded School Improvement Team and a central Business Team supporting each school to ensure our teams can learn from each other and become as great as the sum of our parts. Colleagues joining our teams can access a range of networks, support and training for their roles.

We are heavily investing in our people through our People Strategy. All teachers beyond ECT (Early Career Teacher) are completing an NPQ (National Professional Qualification) in Leading Teaching with Ambition Institute. This aims to raise the quality of teaching and learning across the Trust, create a common language and pedagogy, enabling our teams to work across schools supporting each other to raise the bar for our learners. All senior leaders are also completing an NPQ enabling the golden thread to permeate all we do. This is being expanded to develop career pathways for all support staff and we will become a lead provider for ITT (Initial Teacher Training) from 2024.

We passionately believe in promoting the well-being of our teams and have a wide range of benefits and systems to support our staff – you can read more about this later in this pack.

All schools have a new Academy Council linked to the Lime Trust Board, ensuring our schools are supported and held to account in equal measure.

I would strongly encourage you to visit our schools if you are considering a role within our trust.
