Dear Applicant,

Thank you for your interest in the Learning Support Assistant post at Bohunt School Worthing. We are seeking a flexible, dynamic and driven individual to be part of the development of the new school. The role will involve working closely with students with special educational needs, including those who may need medical / physical care. This is a once in a lifetime opportunity as you will help to support the development of a fully inclusive ethos and culture within the school which will allow some of our more vulnerable students to be successful.

The role of Learning Support Assistant is a critical one. Initially you will be vital in helping to ensure that through working with other colleagues the transition to secondary school for students with a variety of learning difficulties is as smooth as possible.

This is a fantastic opportunity to work with a wide range of people on the development of young people in the broadest sense. Throughout the year you will be a key person in ensuring there is day to day support in class, with small groups and individually to ensure academic progress and growth in self-esteem for the students assigned to you.

The successful candidates will be part of a team overseen by our SENCO Rebecca Curtis. The role will be varied to meet the personal needs of individuals and small groups of students.

I welcome applications from serious candidates and do ask that you take the time to consider carefully the roles laid out in the job description. Whilst a background in an education setting is desirable, it is not essential. Applying for a job in a school can raise many questions and Rebecca can be contacted at [rcurtis@bohuntworthing.com](mailto:rcurtis@bohuntworthing.com) regarding any queries. If you are interested in the post please complete the application form. It is your opportunity to tell us a little bit about yourself, why you are attracted to this post and how your skills match the job description.

Finally, I look forward to receiving your application should you decide that you wish to contribute to the development of Bohunt School Worthing Please return your application by email to Karen Calder at [recruitment@bohuntworthing.com](mailto:recruitment@bohuntworthing.com) (tel 01903 601361) or apply through our website today [www.bohuntworthing.com/vacancies](http://www.bohuntworthing.com/vacancies) The closing date is Friday 10<sup>th</sup> May 2024.

With very best wishes,

Paul Collin  
Headteacher Bohunt School Worthing
