Dear Colleague

December 2024

Learning Support Assistant

Thank you for taking an interest in joining our staff team here at Bradford Forster Academy. Bradford Forster has an excellent team of staff, and this is an exciting time to join us.

Bradford Forster Academy is an 11-16 Church of England secondary Academy and part of the Bradford Diocesan Academies Trust (BDAT), a growing Christian Multi-Academy Trust based in Bradford. The Academy opened on 1 September 2015 and now has approximately 1000 students on roll. Within BDAT there is an exciting opportunity to work across a variety of growing and diverse schools.

Bradford Forster Academy is a student-centered place of learning, fully committed to providing all the students in its care with the highest quality of education. Our goal here at Bradford Forster Academy is to provide the best education possible and our strapline underpins all we do: 'Everything is possible for one who believes' (Mark 9:23). The academy serves a multicultural community in which many of our students experience high levels of economic and social disadvantage. As Principal, I am fortunate to work with a talented staff team who demand the highest standards from themselves and our students and deliver this with great commitment and enthusiasm. We believe that valuing all members of staff is how we get the very best out of everyone. Every member of staff has their own part to play in ensuring that our school is a special place to be.

There is a strong emphasis on relationships between staff, students, and parents; the Form Tutor is the first point of contact with the family. The Christian ethos of the academy supports and encourages students and staff to explore their own and other faiths and develop their spiritual awareness. This is integral to life at Bradford Forster Academy.

We offer a comprehensive and personalised CPD (CONTINUED PROFESSIONAL DEVELOPMENT) programme consisting of internal and external courses and training, which are intended to develop staff expertise. We are committed to growing our own, and we know that an excellent CPD programme for all staff will ensure that staff can progress within our own academy.

This is an exciting opportunity for a talented and ambitious professional to make a sustained and substantial contribution to the growth and development of the academy. If you share our enthusiasm for making a difference and would like to visit us, then please get in touch.

I hope the enclosed information is helpful and will encourage you to apply; I look forward to meeting you and reading your application.

With all good wishes

Mrs Gemma Earles, Principal

Vision and Ethos

'Everything is possible for one who believes' (Mark 9:23)

The vision for the Academy is to further raise the hopes, aspirations and ambition of our students, their families, and the local community, by generating self-belief, self-esteem, and confidence through:

- Focusing upon high quality teaching and learning, standards of attainment and achievement, the best student care and support to transform the education of the young people served by the Academy.
- Providing outstanding opportunities for young people to develop healthy and active lifestyles, enjoy their learning and achievement, act and behave safely and become well prepared for adult life in a rapidly changing society.
- Actively promoting self and mutual respect, good conduct, and behaviour.
- Developing an educational organisation of which the students, staff and local community are both proud and feel part of and of which they make extended use.
- Creating a culture which celebrates success within and beyond the Academy, for example in securing greater numbers of students progressing to higher education or employment with training.
- Providing opportunities for students to explore their own and other faiths.

We set high standards and have high expectations for both learning and personal development. We strive to set our children on the best path for their future, by instilling self-belief and self-confidence in what they can achieve.

Ethos and Culture

In creating a successful ethos, culture and climate in the Academy, the following are essential characteristics:

1. Student learning, attainment, achievement, and well-being are at the centre of strategic thinking, planning and actions.
2. A 'can do' attitude is actively promoted and prevalent throughout the Academy. Staff work collaboratively in the best interest of the students in our care.
3. Underpinned by high aspirations and ambition for both students and staff, there is an expectation for everyone to be determined and have a desire and commitment to continuously improve.
4. The Academy is an inclusive organisation with shared facilities e.g., dining room, social spaces for students and staff. In addition, there are dedicated staff work and professional development facilities.

The Academy is a faithful community, starting each day with two minutes of reflection time, where students can gather their thoughts before beginning their day. Whilst our student-centred learning is founded on a Christian ethos, Christian values and Christian principles underpin our work, our students are supported to explore their own spirituality and to recognise and understand the beliefs of others.

SEND Faculty & LSA Role

Introduction

We are looking for an enthusiastic and creative Learning Support Assistant who will complement the strong pastoral support system at our school by adding to the educational support provided in the classroom, working with individual and small groups of children, preparing class materials, and building positive relationships to promote interaction and learning. The work will be challenging and rewarding in equal measure, and you will be supported as part of a team of learning and behaviour support staff.

Working under the guidance of the SENDCo, you will support our teaching staff to take a creative approach to maximising children's achievement in the classroom and ensure barriers to learning are minimised by providing appropriate support for their educational needs.

This is a wonderful opportunity for someone who is looking to start or continue their career in education, potentially an aspirant teacher, who is motivated to inspire learning in children with varied needs and who come from our local community in the BD4 district of Bradford.

Candidates should be motivated, confident, able to take initiative and build strong relationships with students, staff, and parents alike.

This post is suitable for candidates who may want to train to teach as part of a longer career plan. Support will be given, if requested, to investigate the routes into teaching supported by BDAT.

Application Process

The closing date for all applications is **Monday 6th January at 9am**

Applications must be made via [MyNewTerm](#)

An email will be sent to shortlisted candidates with details of the interview process. If you have not heard from us within two weeks of the closing date, please assume your application has been unsuccessful.

References and Police Checks

All offers of appointment will be subject to receipt of satisfactory references. Specified post, which involves substantial one to one access to children, will be subject to a search of police criminal records and appointment to these posts will be conditional upon confirmation by the police of information provided to us by the applicant.

All appointments will be subject to an enhanced criminal records check.

Inclusion

As a Trust we are an inclusive employer. We welcome applications from candidates of all backgrounds, faith, ethnicities or with any protected characteristics. We are simply looking for the best candidate for the job and will assess your application only on the information in your written application or your performance at interview should you be successfully shortlisted.

We will ensure that the selection process is fair and without discrimination for or against any candidate based on age, ethnicity, gender, religious beliefs, marital status, sexual orientation, or disability. The person specification sets out the criteria used to assess candidates through the selection process.

Bradford Diocesan Academies Trust (BDAT)

Bradford Forster Academy is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi- Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford and is part of the Diocese of Leeds. BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

Our mission statement

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable them to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working. We believe this means we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools approach where we are truly able to know, understand and support each other.

Our Christian ethos

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

ICARE

At BDAT we have considered the importance, effectiveness, and sustainability of how we tackle issues like racism and other types of discrimination across all areas of our MAT and within each of our schools. We have led a Trust wide consultation to ensure we understand what we mean by inclusion and to look at what we can do differently centred around the Trust values: "ICARE." BDAT People: Our Faculty of Professional and Career Development

The BDAT Faculty of Professional and Career Development brings together into a single entity all that we currently do to recruit, develop, and retain our staff. The faculty provides the strategic direction to ensure that our professional and career development supports school improvement and drives our vision of BDAT as an employer of choice.

By bringing all our work in this area under 'one umbrella' it ensures our staff know about BDAT's development offers and how they can be accessed. <https://bdat-people.org/>
