

# Recruitment Pack

---

---

# Welcome

from the Chief Executive Officer

---

Dear Applicant,

I am delighted you are considering joining us at Lime Trust. This is an exciting time to join our Trust, I joined in April 2022 and since then we have been reinvigorating all areas of the Trust.

We have an expanded School Improvement Team and a central Business Team supporting each school to ensure our teams can learn from each other and become as great as the sum of our parts. Colleagues joining our teams can access a range of networks, support and training for their roles.

We are heavily investing in our people through our People Strategy. All teachers beyond ECT (Early Career Teacher) are completing an NPQ (National Professional Qualification) in Leading Teaching with Ambition Institute. This aims to raise the quality of teaching and learning across the Trust, create a common language and pedagogy, enabling our teams to work across schools supporting each other to raise the bar for our learners. All senior leaders are also completing an NPQ enabling the golden thread to permeate all we do. This is being expanded to develop career pathways for all support staff and we will become a lead provider for ITT (Initial Teacher Training) from 2024.

We passionately believe in promoting the well-being of our teams and have a wide range of benefits and systems to support our staff – you can read more about this later in this pack.

All schools have a new Academy Council linked to the Lime Trust Board, ensuring our schools are supported and held to account in equal measure.

I would strongly encourage you to visit our schools if you are considering a role within our trust.

**Kirsten Jowett**  
CEO, Lime Trust

# Message from Lime Academy Abbotsmede

---

Welcome to Lime Academy Abbotsmede,

We are a thriving two-form entry primary school at the heart of the City of Peterborough. The school benefits from being a short walk into the city centre and thus only a small distance from the places which make Peterborough an exciting place to work.

Our school is filled with happy, enthusiastic students who have a thirst for learning and enthusiasm for the magic that you can bring to our classrooms. We care for all of our students and promote positive relationships, providing a high degree of nurture particularly for those who just need that bit of extra support and guidance.

Our EYFS is a particular strength of our school. We benefit from a well-resourced nursery catering for children from 2 years up to school age. Children typically join our setting with lower starting points than would be found nationally. However, our dedicated and skilled staff ensure that children make rapid and sustained progress. Our Reception classes boast a purposeful learning environment where all children are encouraged to flourish, with their individual talents being nurtured and celebrated.

We benefit from a varied, exciting and dynamic curriculum which has been constructed with our students in mind. The curriculum, however, is not so rigid that there is no room for creative flair – in fact we encourage this!

Music is something we as a school are continually developing and building on. All of our students have the opportunity to learn an

instrument and to perform in showcase opportunities. These are well attended which show great support for our school.

We embrace technology at Lime Academy Abbotsmede. We have 1:1 I-pads for students in Years 3 to 6 and an exciting computing curriculum that makes use of a range of exciting applications and a hint of robotics. Our tech is used as a tool to support learning in innovative ways and is not just a web browser at the end of our fingertips. We are always looking for new and innovative ways to improve our teaching and learning via technology.

We have a range of exciting partnerships, including working locally with the Key and New Theatres which not only allows us access to performances but also workshop opportunities with organisations such as the Birmingham Royal Ballet. The IntoUniversity organisation which provides our students with exciting in house and in-centre workshops enables our students to have an early idea of what Universities are and how they can aspire to expand their learning further.

Being part of a large family of schools is a pivotal partnership and allows us to share resources. Our most important partnership is with our children's families who are fantastic. They are so appreciative of all of our hard work and are very supportive of our school.

We are always excited to welcome new people to our Lime Academy Abbotsmede family and look forward to hearing from you soon!

**Headteacher**

# About our Trust

## Who is Lime Trust?

Lime Trust is formed of 8 schools over 10 locations across the London Boroughs of Havering and Waltham Forest and Peterborough. We have grown to include four primary schools and four all-through special schools, with 2400 pupils and over 700 employees. In our academies we strive to ensure:

- Learners are safe and enjoy learning
- Everyone feels included, respected, and valued
- An ambitious curriculum develops our learners for the challenges of life and adulthood
- Employee potential is recognised and invested in
- We make a difference to the communities we serve

## Lime Aims

Progress and attainment outcomes for our primary learners exceed national averages by the end of each key stage

- SEND learners make progress from each individual's point of learning
- All our schools are graded good or better by Ofsted
- Wider pupil outcomes - ambitious broad & balanced curriculum with opportunities for enrichment
- Quality of teaching – Good or better, driven by professional development and instructional coaching
- Our employees make a difference to learners across our Trust, beyond their own school
- Positive culture in all our schools; where our employees feel valued, and well-being is a priority
- The Trust's mission, vision, values, and aims are clear across our schools
- Our Primary Schools are the first choice for our local parents, oversubscribed in all year groups. Our Special schools are the first choice for Local Authorities
- Financially sustainable (balanced in-year budgets)

# Our Vision and Values

## **Putting Learners First is our Trust vision.**

We aim to create a nurturing and supportive learning environment for all, encouraging our learners to achieve academic excellence and reach their full potential. We set high expectations and build capacity-rich schools through facilitating school-to-school collaboration. The high challenge we put forward is met with equally high support from our team of education experts, so we continue to improve our children's lives and futures – especially for disadvantaged pupils.

## **Our values are based on R.E.S.P.E.C.T. which means we believe that:**

**R**espect is built on unconditional positive regard for all learners, all employees, and our wider communities.

**E**quity enables everyone to be treated as individuals. It removes barriers, provides opportunity and celebrates difference.

**S**elf-worth creates a culture where all learners, all employees and our wider community have pride in their contributions and feel confident and valued.

**P**artnership is working together for the common good, ensuring that our learners are at the heart of all that we do.

**E**njoyment is feeling happy, safe and motivated to make a positive contribution.

**C**ommunication provides a voice for all, creating a shared understanding through dialogue.

**T**rust is a partnership which requires us to act with integrity. Be brave, honest and kind.
