

Recruitment Pack

Welcome

from the Chief Executive Officer

Dear Applicant,

I am delighted you are considering joining us at Lime Trust. This is an exciting time to join our Trust, I joined in April 2022 and since then we have been reinvigorating all areas of the Trust.

We have an expanded School Improvement Team and a central Business Team supporting each school to ensure our teams can learn from each other and become as great as the sum of our parts. Colleagues joining our teams can access a range of networks, support and training for their roles.

We are heavily investing in our people through our People Strategy. All teachers beyond ECT (Early Career Teacher) are completing an NPQ (National Professional Qualification) in Leading Teaching with Ambition Institute. This aims to raise the quality of teaching and learning across the Trust, create a common language and pedagogy, enabling our teams to work across schools supporting each other to raise the bar for our learners. All senior leaders are also completing an NPQ enabling the golden thread to permeate all we do. This is being expanded to develop career pathways for all support staff and we will become a lead provider for ITT (Initial Teacher Training) from 2024.

We passionately believe in promoting the well-being of our teams and have a wide range of benefits and systems to support our staff – you can read more about this later in this pack.

All schools have a new Academy Council linked to the Lime Trust Board, ensuring our schools are supported and held to account in equal measure.

I would strongly encourage you to visit our schools if you are considering a role within our trust.

CEO, Lime Trust

Message from Lime Academy Larkswood

Our school is a three form Primary school in the heart of Chingford, we are a diverse school and are proud to belong to such a warm, vibrant community. We have children from 2 years of age in our Little Larks Nursery provision through to aged eleven years in Year 6. Our ethos runs throughout our school 'Putting Learners First' and we build on a foundation of our values, Respect, Equity, Self-Worth, Partnership, Enjoyment, Communication and Trust.

We are based in a large, well-equipped site with dedicated playgrounds for each specific phase. We have a wild garden, astro turf football pitch, sports courts as well as playscapes to enrich the children's learning. In Nursery and Reception our outdoor learning provision is explicitly developed to support and enhance the curriculum.

Teachers and support staff all work hard to maintain a safe and happy school where children are encouraged to become enthusiastic and lifelong learners. Children are valued as members of the school community and our behaviour policy places emphasis on celebrating success and taking responsibility for their actions. The school offers an enriched, broad and balanced curriculum and strives to give children lots of opportunities in music, arts and sport as well as excelling academically.

We pride ourselves on valuing children as individuals, recognising individual skills, interests and needs so that each child can achieve their potential. We celebrate diversity and strive to ensure it is reflected in our curriculum.

We recognise the vital role that parents play in their child's education. As such parents are encouraged to be active partners in their children's learning through effective communication, regular information about children's learning and progress, home learning to consolidate and support learning in school. We have a well-established and effective parent group known as the 'Friends of Larkswood' who organise events throughout the year so that parents/carers can be involved whilst raising money for special projects within the school.

We would welcome your visit to come and find out more about our wonderful school community.

About our Trust

Who is Lime Trust?

Lime Trust is formed of 8 schools over 10 locations across the London Boroughs of Havering and Waltham Forest and Peterborough. We have grown to include four primary schools and four all-through special schools, with 2400 pupils and over 700 employees. In our academies we strive to ensure:

- Learners are safe and enjoy learning
- Everyone feels included, respected, and valued
- An ambitious curriculum develops our learners for the challenges of life and adulthood
- Employee potential is recognised and invested in
- We make a difference to the communities we serve

Lime Aims

Progress and attainment outcomes for our primary learners exceed national averages by the end of each key stage

- SEND learners make progress from each individual's point of learning
- All our schools are graded good or better by Ofsted
- Wider pupil outcomes - ambitious broad & balanced curriculum with opportunities for enrichment
- Quality of teaching – Good or better, driven by professional development and instructional coaching
- Our employees make a difference to learners across our Trust, beyond their own school
- Positive culture in all our schools; where our employees feel valued, and well-being is a priority
- The Trust's mission, vision, values, and aims are clear across our schools
- Our Primary Schools are the first choice for our local parents, oversubscribed in all year groups. Our Special schools are the first choice for Local Authorities
- Financially sustainable (balanced in-year budgets)

Our Vision and Values

Putting Learners First is our Trust vision.

We aim to create a nurturing and supportive learning environment for all, encouraging our learners to achieve academic excellence and reach their full potential. We set high expectations and build capacity-rich schools through facilitating school-to-school collaboration. The high challenge we put forward is met with equally high support from our team of education experts, so we continue to improve our children's lives and futures – especially for disadvantaged pupils.

Our values are based on R.E.S.P.E.C.T. which means we believe that:

Respect is built on unconditional positive regard for all learners, all employees, and our wider communities.

Equity enables everyone to be treated as individuals. It removes barriers, provides opportunity and celebrates difference.

Self-worth creates a culture where all learners, all employees and our wider community have pride in their contributions and feel confident and valued.

Partnership is working together for the common good, ensuring that our learners are at the heart of all that we do.

Enjoyment is feeling happy, safe and motivated to make a positive contribution.

Communication provides a voice for all, creating a shared understanding through dialogue.

Trust is a partnership which requires us to act with integrity. Be brave, honest and kind.
