Dear Applicant,

Thank you for your interest in working with our team at Brooklands Primary school, part of the Maritime Academy Trust.

Brooklands Primary School is situated in Blackheath, Greenwich. We are a small, values-led school where all children and families are welcomed and celebrated. We build strong relationships within and beyond our local community, investing in our children's futures by providing an enriched and creative curriculum, taking advantage of our unique locality and inspiring a life-long love of learning. We aim to provide all of our children with the high-quality education and enrichment opportunities they need to develop their knowledge and skills both academically and personally, in order to prepare them for an amazing future.

We deliver this vision by providing a broad and balanced curriculum, creating a culture of excellence in all aspects of learning, both in the classroom and in the wider world. Our inclusive and holistic approach nurtures the whole child, celebrating success at all levels and valuing well-being and self-esteem leading to thriving, confident learners. We bring learning to life with opportunities to learn beyond the classroom; in our incredible grounds, at Forest School, on educational visits, and through our Big Outcomes where we regularly share, showcase and celebrate our learning with our families and community. We provide personalised, high-quality continued professional development for all our staff, ensuring their practice mirrors the latest research and good practice.

We are incredibly proud of our wonderful school, and would encourage any interested candidates to arrange to come on a tour in order to get a real feel for what it is like to be part of the Brooklands community.

We hope that you find the information in this candidate pack useful and we urge you to look on our website (<https://www.brooklandsschool.org.uk/>) for further details about the school.

If you would like further information about the post please contact the main school office info@brooklands-maritime.org or on 020 8852 8210.

We look forward to receiving your application.

Welcome to Brooklands

Welcome to Brooklands, a one-form entry Nursery and Primary School serving the local community. We are a small school with a "village feel" in Blackheath, London. We are incredibly lucky to have wonderful grounds, including a thriving Forest School and Vegetable garden, and we make the most of this throughout all seasons!

We aim to provide all our children with the high-quality education and enrichment opportunities that they need, in order to develop the knowledge and skills (academic and personal) to take them into their next stage of education.

Teaching and learning is our core purpose and the main focus for all that we do. All our staff are responsible for teaching all our children everywhere around our school. Expectations and standards are high, and everyone is supported from their starting points.

Bluebells Nursery is very much a part of the school, and from April 2025 will incorporate a provision for two-year-olds. Bluebells Nursery aims to provide a warm, welcoming environment where both children and parents feel valued and secure. We ensure all children receive the nurture and individual support they need to feel safe and confident in the setting, and ensure they are provided with meaningful and engaging opportunities to learn, grow and develop as individuals.

Brooklands Values

We are guided in every aspect of the school by our core values, which are:

Curiosity

Thinking critically about the information we are presented with;
Asking questions to deepen our understanding of the world around us
Recognising and celebrating difference and diversity;
Resilience
Having the resilience to improve and not giving up when faced with a challenge;
Learning from our mistakes

Excellence

Always doing our best in everything we do
Showing excellent behaviour at all times and respect for all people and our environment

Aspiration

Focusing on being the best version of ourselves;
Using the experiences we are given to better our futures
Togetherness
Working collaboratively for the benefit of all;
Sharing ideas and experiences to support and develop ourselves and others;

Empathy

Always thinking about how our actions and words affect others;
Looking out for each other and wanting the best for others
Showing respect for others, treating everyone we meet with kindness in our words and actions

We refer to these values as "the roots from which we grow".

Maritime Academy Trust

Maritime is a charitable education trust with schools across London and the South East and led by the CEO – Nick Osborne.

As an education charity, Maritime are fully committed to advancing education for the public benefit. It is our mission to empower our schools with the means to drive ever greater and more enjoyable outcomes for children.

This is done by seeking out the intersection between logic and magic; between the knowledge children need, the skills that will enable them to navigate a future world of work that doesn't exist yet, and a journey through education that will stick with them as they grow.

Our Maritime Entrepreneurial Curriculum brings this all together, weaving essential skills and knowledge into a thematic approach to learning that is embraced by all of our schools. It culminates with our Maritime Expeditions: child-led learning showcases that demonstrate how children have found solutions to real-world challenges.

Like our name suggests, Maritime draws on the heritage of our original Greenwich home. We are explorers and adventurers who believe that our community grows stronger the more people we meet and the more we learn from them. Our whole approach to what we do, our whole mindset, is that through strong collaboration we can most effectively spark innovation throughout our schools. Collaborate, Innovate, Educate.

We are very proud of how we work together, approaching everything through the lens of our Maritime Behaviours, the ways of working that build towards our vision and make it enjoyable to be a part of the team.

As an employee of the Maritime Academy Trust you can expect:

- a positive working environment
- national terms and conditions
- tailored programmes of CPD with cross trust development opportunities
- a generous package of staff benefits.

Application Guidance

Thank you for your interest in working with the Maritime Multi-Academy Trust. This Application Guidance has been developed to help you to complete your application. Please take a few minutes to read through the information before filling out the application form.

Your application will be your first point of contact with the Trust and the school you would like to work with. The content of your application will determine whether or not you will be invited to interview, therefore it is essential that you complete it as fully as possible. We will not make any assumptions about your abilities and do not take into account any previous applications.

CVs are not acceptable in the place of a completed application form and all candidates are required to address the criteria on the person specification for the post. However, you may submit a CV in addition to your completed application form.

Personal Details

Enter fully and clearly your name, address and telephone number(s) so that you can be easily contacted in the event that you are shortlisted to attend an interview.

Employment

State clearly your current or most recent employer's name and address. Include details of the post held and (if applicable) reason for leaving.

Previous Employment

Enter names and addresses of all previous employers, starting with the most recent. You can also include work experience placements, holiday jobs or voluntary work in which you have developed skills relevant to the job you are applying for. It is very important that you complete this section in chronological order, and detail accurately any gaps between employment and other activities.

Education

Provide full details of your education at secondary level and above along with details of degrees/diplomas and any other qualifications, including those that you are currently studying for. Make sure you give all the information required, including levels and grades of any examinations taken. If a required qualification has been specified for the role, make sure you give all the information required and levels of any examinations taken. You will be expected to provide documentary evidence if you are invited for an interview.

Supporting Statement

This section is very important. It gives you the opportunity to detail why you feel you are the best person for the job and why you are applying, and is the key information that is used for shortlisting. Before completing this section refer to the Job Description and Person Specification for the role.

Application Guidance

Focus on how your skills, knowledge and experience meet each role requirement, detailed in the person specification giving specific examples. In completing this section you may refer to both paid and voluntary work and your experience within any school or any relevant experience outside work.

Referees

Provide the names, addresses and email addresses of two people who are willing and able to provide references in support of your application. One of these must be your current (or most recent) employer.

As an ECT we suggest you ask the Headteacher of your most recent placement and your university or college tutor, as they will be able to comment upon your teaching skills.

If you are not currently working with children but have done so in the past, the second referee should be the employer by whom you were most recently employed in work with children. Please note that family members, friends and relatives are not acceptable referees.

Referees will be asked about past disciplinary actions or allegations excluding those that were deemed to be unfounded, unsubstantiated or malicious when assessing your application.

If you are subsequently made a conditional offer of employment, further information may be sought about health and absences.

Eligibility to Work in the UK

If you are selected to attend for an interview you will be asked to provide documentary evidence of your right to work in the UK.

Declarations

If you are appointed, you will be required to complete an Enhanced Disclosure and Barring Service (DBS) application. The DBS will provide a report to you confirming whether you have any history of criminal convictions, including cautions and bind-overs.

All posts in schools are exempt from the Rehabilitation of Offenders Act 1974; this means you must declare all convictions, including those that would normally be regarded as 'spent'. The existence of a criminal background does not automatically mean that you cannot be appointed but it may do so.

We need to know if you have a close relationship with and/or are related to any employee, governor or anyone else connected to the school, in order to ensure a fair selection process.

If you have a disability please provide details of any adjustments that you will require if shortlisted for an interview. Any details you provide regarding a disability will be dealt with sensitively and will only be disclosed to staff involved in the selection process when it is considered appropriate and necessary.
