IVY LEARNING TRUST

Our Vision

Ivy is a charity and our purpose is to provide education for the public benefit.

We have four guiding principles:

- We are one family of schools.
- Good education is a birthright.
- We make it easy to make a difference.
- Local leaders know their communities best.

Ivy Learning Trust is a family of schools dedicated to giving children a great education. We formed our Trust in 2017 with two Enfield primary schools, Brimsdown and Lavender, in order to formalise the already close working relationship between them. We now have a network of 17 primary schools across North London and Hertfordshire.

This collaboration has enabled our community to benefit from the expertise and talents at each joining school, with leaders sharing successful techniques and innovations. Staff enjoy better access to CPD programmes and opportunities to develop their careers. We are a supportive community, dedicated to ensuring that no one is left behind and that everyone benefits from being part of our Trust.
