IMMACULATE**
CATHOLIC ACADEMIES TRUST

STRATEGIC EXECUTIVE LEAD CANDIDATE PACK

Helping schools & trusts appoint the best Senior Leaders

WELCOME LETTER

Dear Candidate,

Thank you for your interest in the post of Strategic Executive Lead in Our Lady Immaculate Catholic Academies Trust (OLICAT).

Our Background

We are a relatively new Trust formed from the merger of other Trusts and schools in the Roman Catholic Diocese of Northampton. After a period of planning, two Trusts were created in the Diocese; OLICAT for the northern part of the Diocese; St Thomas Trust (STCAT) for the southern part.

At Diocesan level we are answerable to The Duns Scotus Trust and the Bishop and Diocesan Trustees. We are supported by the Diocesan Education Officer, who is our liaison point with the Diocese.

What We Have Achieved

Since their formation both Trusts have expanded to take in other Diocesan Schools in accordance with the Diocesan Plan, and that development will continue.

As OLICAT was created in February 2020 we immediately faced the Covid 19 pandemic. The strength of the Trust showed immediately. All the schools who became part of the Trust had each other and the Central Team to provide support and guidance and well-being assistance in those most difficult times.

The pandemic did not delay the development of the Trust. We knew we had challenges of school improvement for all our schools, but some were in need of more focused attention, as they were in the Required Improvement category. That situation is now largely remedied. We also forged ahead to bring different school and previous Trust systems together to enable the Trust to operate consistently and effectively and reliably across all our schools. Major benefits in monitoring and management have resulted from all this development activity.

WELCOME LETTER *CONTINUED*

How We Did It

The Trust plan that we put into place was formed out of detailed contributions from all our schools and staff. Our ethos is collaboration. Each area continues to contribute to the way forward and, in doing so, we all understand the opportunity, even when demanding challenges confront us; we have all been part of the formation and implementation of the plan. There is only one goal. Every child has to be given the best start and direction in their lives through their education in our Catholic Schools.

This collaborative approach in the Trust has borne fruit. Over the last year more than 18 inspections from Ofsted and the Catholic Inspection Service have validated the improvements we have made in each and every school. Good though this is, it remains very much work in progress.

What Is Next

The Directors rely heavily on the Strategic Executive Lead and the Central Team to foster the collaboration between every element of the Trust, at every level. We strongly believe that engaging and listening, as well as leading and directing, is producing sustainable outcomes from strong foundations. These very foundations will enable OLICAT to expand to complete the Diocesan directive that all schools should be part of one of our MATS.

How You Fit Our Future

You are characterised by your demonstrable leadership skills, your eye for sustainable innovation. You appreciate that this is indeed a rare and exceptional opportunity. Be certain, this is not just your next job; the demands are high, but the system is there to ensure you succeed.

We have many challenges ahead; come and show us what you can offer, as we continue our Education journey.
