WELCOME FROM OUR CEO

Thank you for taking the time to download the application pack and expressing your interest in the current Central Support Team vacancies at the Prince Albert Community Trust.

I am a mom of five wonderful children and I passionately want the very best for each and every one of them, they are all unique individuals which means no one model suits them all. What I want for them is the same as any parent would want for their child; the very best. The best school, the best teachers, the best opportunities, the best sports coaches, the best dinner staff and the best pastoral care in order to ensure they are happy, safe and successful, today and in the future.

I have worked as a teacher and leader in numerous schools across Birmingham for the last 22 years. Being the Chief Executive Officer for The Prince Albert Community Trust is an exceptionally privileged position which enables me to strive and achieve for PACT children what I want for my own. One of our mantras is “we work this hard because we believe that our schools have to be good enough for our own children...we hope someone will work this hard for our children.”

Key to achieving our PACT vision of “enable every student to succeed at school and in life” is one of my core principles; developing people. I believe by inspiring and developing staff we will inspire and develop our students and so we work extensively to personalise the learning for all. I feel blessed to work with the children, staff, and trustees of the PACT. My role allows me to work with and for all of our schools. Having a strategic overview of their strengths and areas for development, we work tirelessly to support each other across the PACT working in true collaboration.

We actively seek and positively welcome challenge, feedback and suggestions. Please feel free to see any of our staff, myself, or our feedback section on our websites and help us on our journey. The door is always open.

OUR PHILOSOPHY

We want our school leavers to have a strong sense of purpose and for them to understand that they can benefit from society but more importantly can be a benefit to society. We want our students to be hard working, ambitious and resilient. They will understand their rights and responsibilities as British citizens and their roles in improving their neighbourhoods and communities. They will have every opportunity to develop their emotional intelligence and decision making skills. They will develop an understanding of local, national and international issues and will have an awareness and understanding of their position as global citizens.

We have a fundamental and strongly held belief that our students have the potential to achieve the highest academic standards and to compete with high achieving students locally, nationally and internationally. We want to prepare our students for the very best opportunities the world has to offer. To make this possible we nurture excellent partnerships with leading universities and businesses. The success of our schools is built on the relationships we have with our families which is based on mutual trust and an understanding that we only want the very best for our students.

At Prince Albert Community Trust we are committed to Safeguarding and Promoting the Welfare of all its students. Each students' welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way. Whilst at PACT, their behaviour may be challenging, we will always take a considered and sensitive approach in order that we can support all our students.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

KEEPING CHILDREN SAFE IN EDUCATION 2023

The Trust pays full regard to 'Keeping Children Safe in Education' guidance 2023. We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history, social media, and ensuring that a candidate has the health and physical capacity for the job.
