HERE'S WHAT OFSTED HAVE TO SAY

OUR LEADERSHIP

Cathy Barr,
CEO

Firstly, let me start by thanking you for taking the time to read our information pack and allowing us the opportunity to tell you more about The Shared Learning Trust.

I first began working for The Shared Learning Trust as principal of The Stockwood Park Academy in 2009. Since then, the trust has grown from strength to strength, employing some 500 fantastic staff members who serve over 4000 children within our communities. It is my privilege to be CEO of our family of schools and work with each head of school to ensure the best possible education in their own academy.

Our ethos is simple; to build a collaborative partnership of academies and schools that will provide exceptional educational provisions, both in and outside the classroom for all our children. Our academies ensure students are supported, monitored and encouraged, ensuring that their learning experience will be challenging, rewarding and memorable. Students enjoy their time at our academies and give back to the wider community. They are role models and young leaders, who contribute to collegiate ethos with maturity.

We aim to recruit staff who:

- Are excited by their role and by the prospect of working with young people, even those who are less motivated
- Love the processes of learning and teaching and are keen to continually develop their own skills
- Recognise that teaching can be a demanding job and can react positively to those demands
- Will subscribe to the ethos of the trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people
- See break duty as an opportunity to talk to children
- Are quick to praise and slow to criticise and are not afraid to admit to seeing themselves as potential leaders of the future

I am conscious that this may be your first contact with our trust and first impressions are very important. I hope what you have read, coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes, Cathy

ABOUT THE VALE ACADEMY

Behaviour and Safety of Students: 'OUTSTANDING'

"The behaviour of pupils is outstanding. Pupils have exceptionally positive attitudes to learning and act responsibly in managing both their own behaviour and helping others in the academy. This contributes to the friendly, social atmosphere in the academy. Pupils are proud of the academy. The buildings and grounds are neat and tidy, and pupils have plenty of room to play and places where they can sit quietly and reflect. Pupils all speak positively about how much they enjoy and value being a part of the academy, and this is evident in their very smart appearance and their impeccable manners"

Quality of Teaching: 'GOOD'

"The strong, positive relationships between adults and pupils support the outstanding attitudes to learning that pupils show in lessons and around the school. All staff have high expectations of pupils' behaviour. Classrooms are well organised, bright and welcoming. They have been thoughtfully set up for the new age ranges of pupils on the academy's roll. Teachers have high expectations, assess pupils' progress accurately in lessons and provide work that children enjoy"

Achievement of Pupils: 'GOOD'

"Children start school with skills and knowledge below those which are typical for their age. Pupils reach standards, in both English and mathematics that are higher than those expected for their age. Pupils' positive attitudes to their learning, together with careful assessment and planning by teachers to challenge pupils to do their best work, contribute strongly to the achievement being made."

ENHANCED CAPACITY

The merged Advantage Schools will have greater capacity and resources, enabling us to provide improved support and opportunities for our staff and students. This includes access to additional expertise, shared funding, and facilities that will enrich the educational experience.

CONTINUED GROWTH AND DEVELOPMENT

Joining an academically strong MAT will support the continued growth and development of TSLT's schools. We will benefit from shared best practices, innovative strategies, and collaborative initiatives that will enhance the quality of education and support services we offer.

IMPROVED SUSTAINABILITY

By transferring to AS and creating a larger organisation, we can ensure the long-term sustainability and viability of our educational provision. This move will enable us to navigate challenges more effectively and position ourselves for sustained growth and success in the evolving landscape of education.

COMMITMENT TO EXCELLENCE

AS shares our commitment to excellence in education. By aligning with a like-minded organisation, we can collectively uphold high standards of teaching, learning, and student outcomes across all 10 schools.

OPPORTUNITIES FOR STAFF DEVELOPMENT

Staff within the trust will have access to additional opportunities for professional development and career progression through a broader network of schools. This will enable our staff to further enhance their skills, expertise, and professional growth.

SCALE AND INFLUENCE

A larger combined business support function will have increased scale and influence in negotiating contracts, partnerships, and collaborations with external vendors, service providers, and government agencies. This will lead to better terms and outcomes for all.

The merged organisation will enhance educational opportunities and resources for pupils within the Luton, Central Bedfordshire, and Bedford areas. Leaders look forward to the exciting developments that this union will bring to both trusts and their respective communities.

Advantage Schools, which is based in Bedford and Central Bedfordshire and was formed in April 2017, comprises two secondary schools and three primary schools.
