Welcome from David Roberts, Chair of Governors

Dear applicant,

Thank you for taking the time to consider applying for the role of Senior Teaching Assistant at Old Trafford Community Academy. As Chair of the Governing Board, I would like to take this opportunity to tell you a little bit about the context of our school.

We are located in Trafford close to its border with Manchester and its city centre, and have over almost 400 children on roll. Our diversity is a real celebration as our children and families come from a wide range of backgrounds.

We converted to an academy on 1st April 2014. We value the highly skilled professional support and challenge that Focus-Trust provides. At the same time, we have maintained our place in the Trafford family of schools playing a full role in the Stretford and Old Trafford cluster of primary schools. It is a feature of the educational dynamic in the area that Trafford has retained selection to grammar schools within its authority boundary.

Our children and our families are at the very heart of all that we do and the partnership with parents and the commitment of our staff, really allows our children to achieve well and become lifelong learners. The high quality of relationships that we develop with children, parents and colleagues allows everyone to feel a sense of community and belonging.

When you visit us, you will find children who are happy to be in school. We have a reputation for being friendly and welcoming with an exceptionally hardworking team of staff. Our recent Ofsted inspection recognised the progress we have made and confirmed we are working on the key areas for improvement. The full Ofsted report can be found on the school website.

I hope I have given you a flavour of Old Trafford Community Academy. We have every confidence that we will successfully recruit a class teacher who would like to become a valued part of our school community and who will help us to continue to provide the best possible education for the benefit of our pupils, their families and the community in which they live.

About our Academy

Academy vision

Old Trafford Community Academy is a very special place. We have a wonderfully diverse school community, with an equally diverse range of strengths and needs. We are ambitious for all our children and committed to going the extra mile to remove barriers to learning. We aim to be a community school in the widest sense of the word, supporting children within the context of their family and their wider communities.

Our pupils

Our pupils are the best advertisement for our academy! They come from a diverse range of backgrounds, and work and play well together. The proportion of children eligible for pupil premium is well above average. The majority of children speak English as an additional language.

Our staff

We have a large and talented staff team. We believe that our children and their families need the very best staff to support them. We are therefore committed to supporting ongoing staff professional development. All new staff will be offered training and support, through an agreed induction programme.

Our geographical area

Old Trafford Community Academy is an inner-city primary academy serving a multi-cultural area. We are situated in a pocket of high deprivation within Trafford, close to Manchester city centre.

Our facilities

We occupy a modern building, with good outdoor facilities. We are lucky to have facilities for a range of extended services to support children and their families.

Our school organisation

We are a two-form entry school. Year groups plan together, and support each other in delivering the whole curriculum. The academy leadership team consists of Headteacher, Deputy Headteachers, Assistant Headteachers and the Business Manager.

Our curriculum

Our curriculum is led by our Deputy Headteacher, supported by our Leading Teachers. We use Focus English and Power Maths to support our teaching. Much of our learning is through our termly academy-wide topics. We are supported by specialist teachers and coaches in music and PE/sports. Our curriculum is designed to support our Big Three, which we believe are essential for all children: good communication skills; physical health and well-being; and emotional health and well-being.

Our extended services

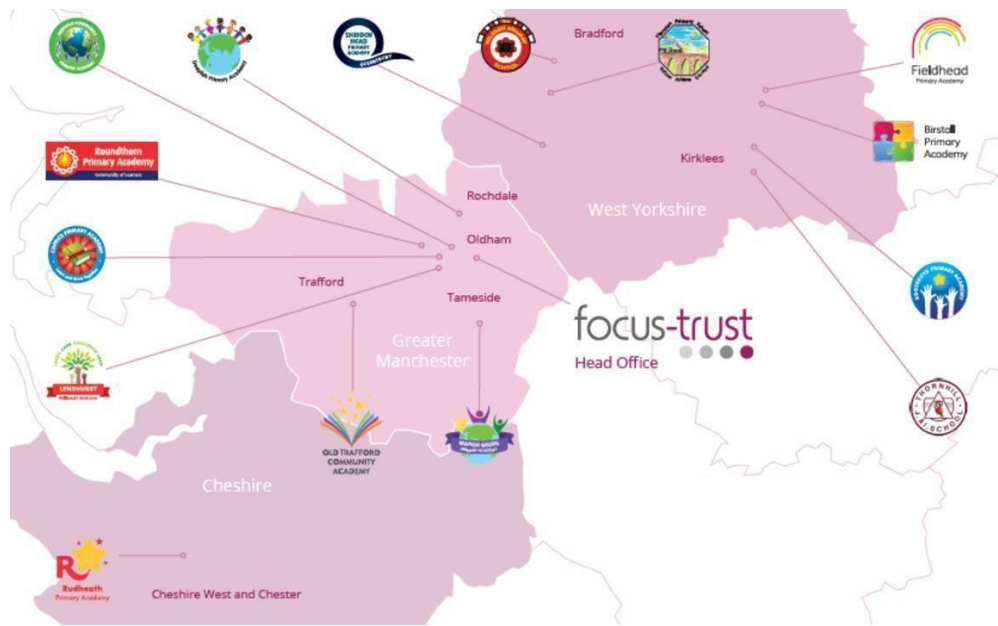

We have a wide range of extended services to support children and their families. This includes universal services for the whole community, alongside more targeted support where needed. For example, we employ extended support workers and an independent social worker to help us provide early intervention to support our most vulnerable children and families.

Background to the Trust

Focus-Trust was incorporated in May 2012 as a primary trust. The Trust has links with the sponsor, Focus Education, but is an entirely separate legal entity. As with all academy trusts, the Trust is a company limited by guarantee and an exempt charity. The Trust's offices are situated in a newly converted historic mill conversion in Chadderton, Oldham with excellent motorway networks to access our schools.

The defining feature of Focus-Trust is that it is a specialist primary phase trust. This means that the work of the Trust is driven by the distinctive needs of primary schools. Whilst the Trust has robust systems for accountability, each school has their own distinctive identity, ethos and culture, and this is a commitment to every school when they convert and join the Trust.

Focus-Trust currently has a small centrally employed team. The members of the team are highly skilled and committed to the vision, culture and values of the Trust.

All the schools within the Trust are willing partners who have actively chosen to join Focus-Trust and there is a very high degree of consensus, cooperation and commitment from within the group.

The Trust has robust policies and systems in place to govern and guide its work. These have been gradually implemented as the Trust has grown. The Trust has well-established productive relationships with trade unions and meets half termly with a group of national trade union representatives to discuss policy development. This has enabled us to introduce and change a range of policies in a streamlined and cooperative way.

Vision

'Great schools at the heart of our communities' - with our Community Champions and colleagues, we strive to ensure we are being civic leaders making a difference in the local and national communities and the community is supporting us.

Commitment

'Learning together, making the difference'

Collective Efficacy

We have a well-developed and securely embedded culture of Collective Efficacy. By this we mean we have, 'A shared commitment to work together on the things that matter to improve outcomes for all.'

The Focus-Trust Values

Professional honesty is at the heart of everything we do. The Trust knows the schools well because of the strong working partnership between academy leaders and the Trust Central

Team. It is only by being honest and transparent with a balance of credible challenge and effective support, that we can move forward and get the best for all children and staff. Our work is underpinned by our values:

Care for children, adults and the learning environment

Dare to do things differently and have a go

Be **fair**, honest and inclusive – demonstrating integrity

Share expertise and best practice for the benefit of all learners

What you might want to know about Focus Trust

Focus-Trust has a Trade Union agreement which recognises the teacher and support staff unions. This is further supported by an ongoing and productive relationship with key trade union officials.

Equality of opportunity

Focus-Trust is an equal opportunity employer, dedicated to a policy of non-discrimination in employment on any basis including age, gender, race, colour, nationality, ethnic origin, disability, gender, religion, age, marital status, sexual orientation and/or medical condition.

Safeguarding

Focus-Trust is committed to safeguarding and promoting the welfare of all children and young people. There is an explicit expectation that all employees share this commitment and adhere to all safeguarding policies and procedures. Applicants should be aware that the recruitment process will include an assessment of your suitability to work with children.

Dress code

We expect all colleagues to dress professionally and appropriately for the roles undertaken. We pride ourselves on the high standards of dress of both our pupils and staff; these standards are led by our colleagues who we expect to set an example.

Policies

Focus-Trust and the schools have a range of policies and handbooks that help to make clear our expectations and ways of working. These are always shared openly with staff and are accessible to everyone. There are several policies that prospective employees should be aware of when making an application. These can be found on the Trust website www.focus-trust.co.uk and school websites. All members of staff will be asked to sign a declaration as part of the induction process to acknowledge that they have read and understand the Code of Conduct and some of the key policies, e.g. Safeguarding and Child Protection, Health and Safety, Acceptable use of IT.

Right to work in the UK

Under the Asylum and Immigration Act 1996, it is a criminal offence to employ anyone who is not entitled to live or work in the United Kingdom. Applicants can expect us to ask for proof of this at interview stage, where you will be asked to provide some original documentation to confirm that you are eligible to work within the UK. Photographic proof of identity will also be required.

Validation of qualifications and identity

All shortlisted candidates will be asked to bring original certificates or relevant qualifications and identity documents to interview. These will be photocopied and kept on file and, if appropriate, may be confirmed as genuine with the relevant awarding bodies. The copies of the successful candidate will be retained on their personnel file. The copies of unsuccessful candidates will be treated as confidential waste and disposed of appropriately.

References and Social Media Checks

If you are shortlisted, we will take up references before the interview date. One of your referees must be your current or most recent employer. Two satisfactory references must be received before we can confirm any offer of an appointment. The information we request will relate to salary, length of service, skills and abilities, suitability for the job, disciplinary record and suitability to work with children. Copies of references or open references will not be accepted. On receipt of references, your referees may be contacted to verify any discrepancies, anomalies or relevant issues as part of the recruitment verification process.

In line with our safer recruitment policy, on line presence checks will be undertaken if you are shortlisted. This check is designed to complement the range of standard recruitment checks and allows us to identify a candidate's online presence which potentially could damage the organisation's reputation.

Knowledge and skills profile

This is an important part of your application and is your opportunity to explain how you meet the person specification for the post. You should demonstrate your skills, knowledge and experience and give short examples. Describe how you match the requirement of the job; include experience gained from previous jobs, community or voluntary work. Ensure that the information you give is well organised, relevant and brief. You may find it helpful to use subheadings in order to keep your statement well focused. If you do not submit this profile, you will not be considered for short listing.

Disability

To comply with the Equality Act 2010, we are legally required to consider making reasonable adjustments to ensure that disabled people are not disadvantaged in the recruitment and selection process. We are therefore committed to meeting, wherever possible, any needs you specify on the application form. Please contact Natalie Harris if you need to discuss this in any detail. We will consider any reasonable adjustment under the terms of the Act to enable an applicant with a disability (as defined under the Act) to meet the requirements of the post.

Disclosure of a criminal record

Employment in this role is subject to an enhanced check with the Disclosure and Barring Service (DBS). Checks will also be made against the lists showing people barred from working with children. All checks must be satisfactory before any offer of employment can be confirmed and before commencement of work can take place.

Thank you for taking the time to read this information pack.

We wish you every success in any application you may make.
