WELCOME FROM THE HEADTEACHER

Dear Candidate

Thank you for your interest in the post of Enrichment Officer at Nonsuch High School for Girls (NHSG).

Nonsuch is a high performing selective school with a reputation for academic excellence, first class care, guidance and support as well outstanding extra-curricular provision.

We are an inclusive, happy and caring learning community and we are ambitious for all of our students, seeking to ensure that they are challenged to make the very best of their abilities and to achieve success in all they do. All of our staff, both teaching and support, play an important role in achieving this. The school is also part of the Girls' Learning Trust (GLT) which provides excellent opportunities for staff collaboration and career development.

We provide a well-resourced and positive working environment with supportive colleagues and full access to training opportunities.

I hope you will find the information in this pack interesting and informative. We very much look forward to receiving your application.

Yours faithfully

Alexis Williamson-Jones
Headteacher

OUR TRUST

What is a Multi Academy Trust?

Multi-Academy Trusts (MATs) are where more than two schools have joined to form one organisation, governed by one Trust board. Our MAT is both a registered (exempt) charity and a company limited by guarantee, and since we operate within the state sector, we are regulated by the Education and Skills Funding Agency (ESFA). We receive our funding direct from the government on per pupil basis, and we also generate some income through various additional activities (including targeted capital funding bids, and out of hours lettings), which we invest directly into our educational activities.

What makes Multi Academy Trusts different?

The original academies programme started in 2010 and was intended initially to provide an alternative governance model for schools. Since this process started, many schools have now identified the significant benefits associated with forming partnerships with other schools – enabling cost savings across central services, alongside the ability to invest in strategic roles supporting schools to become more effective. By ‘clubbing together’, our three schools have access to resources and support that individually they would not be able to afford, and ultimately, we are able to collaborate to provide better outcomes for our pupils.

What is the history of the Girls’ Learning Trust?

In 2015, Nonsuch High School for Girls formed a multi-academy trust with Wallington High School for Girls, the Nonsuch & Wallington Education Trust. In 2018, the company changed its name to Girls’ Learning Trust (GLT) and later that year Carshalton High School for Girls joined the MAT.

Our schools share many characteristics and are held in high regard by the local community. They are high performing and deliver a broad, balanced and challenging curriculum setting high expectations. Students benefit from being taught by well-qualified, dedicated and committed staff who are experts in girls' education. The Trust benefits from the expertise within an executive support staff team that provides shared services for schools, including Finance, Estates, IT, Procurement, Capital Development Projects, HR, Governance, Audit and Risk. This core team of professionals ensure consistent methods of operation, strong quality assurance and best value across the Trust.

Relationships in the Trust, between staff and students or between colleagues, are built on mutual trust and respect. These relationships drive school improvement and contribute to the wellbeing of everyone. Visitors often comment on the high levels of motivation and positive behaviour of the students, the commitment and professionalism of the staff and the well-equipped school buildings. Strong academic performance is complemented by highly effective pastoral care. We believe in offering a broad experience that goes well beyond the academic, and girls are encouraged to develop their confidence, independence and resilience across a wide range of enrichment and extra-curricular activities.

What makes the Girls' Learning Trust special?

While we work across the Trust to support school performance and ensure value for public money, we believe in allowing our schools autonomy in developing approaches to pedagogy and the curriculum that will deliver the very best outcomes for their students. Nevertheless, our shared values and the many opportunities we have for collaboration across our schools mean that we learn lots from each other and that we remain outward-focussed.

What is it like working at the Girls' Learning Trust?

All of our staff are located at offices in one of our schools, ensuring our shared services gain an understanding of the challenges and opportunities that face our pupils, teachers and school leaders. The environment is fun, fast paced and collegiate. Colleagues join us from all different walks of life and for a host of different reasons. But the one thing that we all share is a passion for education and a desire to make sure young people get the best education possible.

There are some common features to working in any role at the GLT:

- A passionate and dedicated staff team who believe in the transformative power of education and take pride in the positive impact their roles have both inside and outside of the classroom.
- A team of problem solvers who constantly figure out ways to help pupils achieve better outcomes, tackling challenges both big and small together.
- A fun and empathetic environment: staff who support and take care of each other, bringing a sense of humour to the workplace.
- A commitment to professional development: we are proud of our culture of promoting GLT staff within and across our trust and have an excellent record of developing outstanding staff and preparing them for senior leadership.
- A commitment to safeguarding and wellbeing: we operate a rigorous recruitment procedure that includes DBS, medical screening and confirmation of qualifications. And we are committed to ensuring this remains our top priority.

OUR SCHOOL

Our school

Nonsuch is a highly successful and selective grammar school for girls aged between 11 and 18 years. Opened in May 1938 and standing in 22 acres of beautiful grounds on the edge of Nonsuch Park, we aim to provide a caring, happy and stimulating environment in which students can attain the highest levels of academic and personal achievement. Teachers and support staff joining Nonsuch comment on the excellent behaviour and positive attitude to learning of our students and on the warm and co-operative relationships between staff.

Attainment and achievement at Nonsuch are excellent. Summer 2024 saw GCSE results where 67.1% of grades were at 9-8 and 83.8% of all grades were 9-7. 98.2% of all grades attained grade 5 or above. At A-Level students achieved 15.5% A* and 48.4% A*-A grades - again placing the school amongst the highest performing schools nationally.

Our mission

The school's aim is to empower our young women and enrich their lives to ensure they aspire to take their centre stage place in the world. We want students to enjoy learning, to become independent and effective learners and to achieve academic success in an atmosphere that fosters positive relationships and mental health, promotes equality and celebrates diversity. Our curriculum is broad and balanced; it provides intellectual challenge, develops creativity and curiosity and empowers our students to articulate their thinking confidently. The curriculum and extra-curricular opportunities promote social and cultural enrichment and a strong sense of community. The advice and guidance enables students to make wise, informed and ambitious choices. We promote the values of *positivity, respect, integrity, courage and endeavour*. We want our students to engage with the local and wider community in the belief that they can make a difference.

Our curriculum

On entry, all students follow an academic programme including a Modern Foreign Language (German, French or Spanish) and Latin. The range of subjects taken for GCSE is broadened by the opportunity to continue with a second language or start an additional language. Students study the three separate sciences and have the opportunity to take up Astronomy or Photography or to choose from Computer Science, Technology, Arts, Humanities or Modern Foreign Language course. Initially, students are taught in forms, with smaller groups for practical subjects.

The vast majority of students continue their studies in the large Sixth Form, for which external candidates may apply. Courses may be chosen from around 21 subjects. In addition, students take options from the elective menu: many Year 12 students take the Extended Project Qualification and some students opt for classes in dissection, Arts award or Sports Leader award accreditation among other options. Candidates are prepared for Oxbridge entry or for admissions tests, for example BMAT (for Medicine) and LNAT (for Law), as appropriate. The vast majority of students proceed to higher education or professional training.

A comprehensive tutorial programme (including citizenship, careers and health education) supports the curriculum for all students, who are encouraged to assume responsibility for their studies through regular homework and negotiated target setting. Opportunities for active citizenship abound: students in each year group take part in community outreach and fundraising for local, national and global charities. They assume leadership roles within school also representing their peers on the School Council and all Sixth form students belong to the Sixth Form Committee which holds regular Forum meetings. Sixth form students make an invaluable contribution to the community life of the School, serving as school officials and prefects, leading the house system and supporting younger students as mentors.

Artistic, dramatic, musical and sporting talents are fostered. Many students have instrumental lessons; choirs and orchestras flourish, together with many clubs and societies. All opportunities are taken for visits in this country and abroad to widen further the educational experience. Membership of a range of sports teams is encouraged and many Nonsuch students play sports at County and National level.

The School's commitment to excellence in girls' education is reflected in the breadth of the curriculum, the outstanding examination results and the number of extra-curricular activities on offer. Most importantly, of course, the School's success is visible in the confidence and enjoyment of girls who leave us to continue their studies and to carve their niche in 21st century society, as well as the excellent alumni network which supports our Careers and Networking events.

Resources and school site

The School is fortunate in having exceptional and well-resourced accommodation for all subject areas. We have 11 fully resourced Science labs, 4 ICT rooms and an Astronomy Dome on the roof which is also used by astronomers in the local community. Our offer of 3 modern languages and Latin is supported by a bespoke language lab and GCSE and A level language students benefit from weekly meetings with Foreign Language Assistants. The Sixth Form Study Area and Learning Resource Centre further enhance the facilities available to students.

A skilled team of administrative staff, technicians and cover supervisors work closely with the teaching staff. This team includes pastoral administrators, an Emotional Literacy Support Assistant, first aiders and a librarian. Our cafeteria is used by students and staff at mid-morning and lunchbreak, supplemented by a concession in the sixth form area and outside provision called "The Lunch Box." There is a private day care Nursery on the School site which is used by some staff. The school is adjacent to a David Lloyd Sports and Leisure Centre which staff are able to use free of charge during off peak hours in term time.

OUR LEADERSHIP TEAM

The Senior Leadership Team consists of two Deputy Heads, two Assistant Heads and Directors of School Improvement, who work closely and supportively to plan for the future development of our highly successful school. Collaborative and open working practices ensure coherence and clarity in the leadership and management of the school. The Local Governing Body is a strong and supportive team with considerable professional expertise.

Alexis Williamson-Jones (Headteacher)

A Geography and Sports Science Graduate from Loughborough University, Alexis also gained a MSc in Educational Leadership from Leicester University and a National Profession Qualification for Headship (NQPH) from UCL. She has been a leader in schools for over 20 years, being responsible for all aspects of school leadership including improving teaching and learning across a Trust, developing and delivering high quality CPD and leading on behaviour for learning. Having previously worked in the Independent sector, including 7 years spent at a large Girls' School Trust, Alexis joined Nonsuch in September 2021 as Deputy Head Pastoral before being appointed as Headteacher for September 2024. In her spare time, she is a governor at a primary school in Hammersmith where she chairs the safeguarding committee.

Helena Wright (Deputy Headteacher)

Helena joined Nonsuch High School for Girls in 2014 having taught and led in two highly successful schools in the comprehensive sector. She has taught for over 20 years Business and Economics and still loves being in the classroom. Helena remains passionate about Teaching & Learning and staff development and is committed to cultivating great teachers and middle leaders. Some of Helena's key responsibilities include; staffing, all things curriculum, school admissions and quality assurance.

Andrea Todd (Deputy Headteacher)

Andrea joined Nonsuch in 2009 and now has over twenty years' experience of teaching Science & Biology in selective girls' schools. She is passionate about encouraging girls to explore the diversity of STEM both inside and outside the classroom. She has a particular interest in the use of technology to provide a high-quality teaching and learning experience as well as its role in streamlining how teachers work. Her key responsibilities include teaching & learning, assessment and data.

Hannah Johns (Assistant Headteacher)

Hannah joined Nonsuch in 2013 having taught in the comprehensive sector as a member of Teach First and then in the selective sector. Hannah has taught for over 20 years Philosophy and Psychology and particularly enjoys A-Level teaching. Hannah is passionate about supporting students in their transition from sixth form into Higher Education or a Career and in preparing students to be independent learners who thrive in the outside world. Her key responsibility is the strategic leadership of the sixth form including; student progress at KS5, development and quality assurance of PSHE and intervention and support.

Susannah Osborne (Assistant Headteacher)

Susannah joined Nonsuch High School for Girls in 2020, having taught in the comprehensive sector in inner and outer London for over 15 years. As a Geography teacher, she has a particular interest in A-Level teaching and is passionate about developing students' knowledge of the wider world, its issues and human affairs. Susannah's responsibilities include leading pastoral care for Key Stages 3 and 4, with an emphasis on behaviour, wellbeing, and attendance, and on delivering the PSHE curriculum.
