References

Hounslow School is committed to safeguarding children and promoting the welfare of children, young people and adults. We expect all employees, workers and volunteers to share this commitment. All our recruitment and selection practices reflect this commitment.

For roles working with children and children's data, we comply with the "Safer Recruitment" national guidelines. Ideally, we will take up references before the interview for these roles; however, we do understand that with some positions this is not always possible. We will always be discrete, and if the role that you are applying for allows, you will have the option to let us know if you do not want us to contact your current employer.

Employment references for Safer Recruitment roles should not be from a colleague. They should be from your manager, supervisor or someone who is in a position of authority. It is our preference that referees are provided from different schools if you have worked in school environments previously.

If you are not currently working with children or adults but have done so in the past, it is important that you provide a reference from this employer.

We are committed to providing the best possible care and education to our students and expect all staff and volunteers to share this commitment. All staff have a role to play in safeguarding children and have a responsibility to provide a safe environment in which children can learn. Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions or cautions and bind-overs, including those regarded as 'spent' must be declared. Failure to declare any convictions or cautions may result in an offer of employment being withdrawn. A criminal record will not necessarily be a bar to obtaining a position.

Help us to speed up the references process:

- Ensure the email addresses and phone numbers you have provided for your referees are correct
- Do not to put two referees from the same place of work
- Let your referees know when you are offered the role
- Tell them that they will shortly be contacted for a reference
- Ask them to complete the reference as soon as possible

Interviews

If you are selected to attend an interview or an assessment day we will notify you via email or phone and let you know the date and time. It is very difficult for us to change the date of the interview once it has been agreed internally. Remember to check your spam folder when accessing your emails.

- Invitations to interview are usually made via email
- If you are invited to interview, please inform us if you require any particular arrangements, specific access or other support to be made.
- Where lunch is provided as part of the interview process (this will be made clear in the interview schedule), please inform us of any dietary requirements
- We will seek references on short-listed candidates prior to interview (where permission has been given)
- Candidates that have submitted their application form electronically will be asked to sign a hard copy (this will be provided) before being interviewed, to declare that it is true and accurate
- You will need to bring three items of identification with you to enable us to validate your identity. Details of appropriate documents will be included in your invitation to interview letter
- You will need to provide original qualification certificates specified as essential to your post in the Person Specification
- Depending on the nature of the post, you may also be required to undertake appropriate tasks/ presentation/teaching observation as part of the interview process. If this is the case, full details will be provided in the interview schedule.
