Dear Applicant

Thank you for showing an interest in the post of SENDCo.

Kingsdown School has so much to offer new colleagues which includes a fantastic learning environment, ambitious and aspirational students with high standards of behaviour and the opportunity to work with incredibly talented teachers, leaders and professional support staff.

In January 2020 we had our last Ofsted in which we were judged to be GOOD in every category. In the August before this our Year 11 results saw the school ranked in the top 2% for the most improved schools for their Progress 8.

Across every team in the school - Teaching, Business Support, Front Office, Inclusion, Pastoral, Governors, Middle and Senior Leaders, we are all extremely proud of what we have achieved in the last 5 years for our students, and they too are exceptionally proud of their school. Do take a moment to read the opening paragraphs from our Ofsted Report from the link [here](#). Additionally, click [here](#) to review our latest brochure which shows you the Kingsdown BEATs across every aspect of the school.

Over the last three years Kingsdown School has become the school of choice in Swindon. So much so that we are now oversubscribed in our current Year 7 and 8. This pattern is set to continue for this next year hence we are looking for a creative, inspiring, ambitious and outstanding new colleague to join our team.

Swindon & Kingsdown:

Kingsdown is an 11 to 16, mixed and non-selective school of 1013 students. We have close to 30% who are DA and 20% who are SEND. We have an SRP for Autism with a provision for 15 students.

We are proud to serve our community. Our parents work with and in partnership with us. On the whole, our students come from Stratton, Penhill & Pinehurst. Our students deserve the best possible education and start in life and our mission statement is that we "champion each and every student". If this truly motivates you - please read on.

For those relocating - 5 great facts about Swindon [besides Kingsdown]

- Areas of natural beauty on our doorstep and close links to many cities
- Excellent rail and road networks
- Housing opportunities at an affordable price
- Low unemployment
- Leisure industry that engages all ages as well as £10 million project for the development of our town - the arts, sports and recreation

What are we looking for in our new SENDCo:

We are looking for an intelligent, hardworking, creative, ambitious and well researched professional with experience of teaching and working with students with SEND, within a SEND department. We are looking for someone who has the skill to line manage colleagues exceptionally well, and to lead, motivate and inspire staff and students.

What will and can we offer you:

By joining our Kingsdown family you will join a team who genuinely cares and champions each and every student and each and every member of the Kingsdown team.

At Kingsdown, we know that staff and students thrive in a 'healthy work culture' and the wellbeing of staff and student outcomes is inextricably linked. We are committed to providing the best working and learning environment for all. The RLT has a staff charter and strong values, we uphold these values and commitments, and further build on these with our Wellbeing Strategy.

One of the core values of the RLT is that 'everyone is learning' and at Kingsdown we ensure each person has the personalised CPLD that they deserve. We do this through a variety of programmes, including our Restless Teacher Programme that allows all staff to take a lead on their own professional development, with the support of colleagues within the school. We are also very excited to be launching our coaching model this year, to allow staff the opportunity to be coached and develop their teaching practice further, whatever stage of their career they are in. High quality CPLD and training are an integral part of our meeting schedule and time is given to curriculum teams to collaborate and learn from each other. Alongside this we have a personalised induction programme that allows for new staff members to join us feeling supported and welcomed from day one.

Education has the power to change lives, communities and society for the better. At RLT we believe that we can achieve more for our pupils, trainees, staff and communities by working together rather than alone. Schools in RLT are united by a common belief in the benefits of working together, and by our commitment to shared principles.

OUR VISION is for our schools and SCITT to improve rapidly, continuously and sustainably: to be better faster together.

OUR 'WHY?' is that children and young people 'only get one go' in school and therefore as part of RLT we aim to ensure the best possible 'go' for our pupils.

OUR 'HOW?' is through the highest support and challenge for our schools and each other, underpinned by our principles.

Our employees benefit from a wide variety of support including extensive continuing professional learning and development opportunities, wellbeing and staff networks and access to Defined Benefit Pension Schemes (TPS and LGPS) for all staff. For more information on what it is like to work for the Trust, and the benefits you could access, please see our "[Working in RLT](#)" guide.

This role includes regulated activity relevant to children.

Where next? If you:

- believe that all students can achieve regardless of their background and postcode
- enjoy the challenge and reward of taking a school from Good to World Class,
- feel that you have the skills and qualities to accelerate student progress, aspirations and self-belief, and
- are truly committed to making a difference especially in Swindon and SN2

In the meantime, I thank you for taking the time to read about Kingsdown School and look forward to hearing from you and hopefully meeting you soon.

With best wishes

Emma Leigh-Bennett
