We support the community use of our schools and work in conjunction with Active in the Community, the Youth Sports Trust and Sports England on ensuring grassroots clubs have access to our facilities. We also are committed to the Opening School Facilities programme at all our schools.

We are focused on delivering educational improvement and our schools, including providing the appropriate technology for staff and students to learn.

We are also committed to providing students with a rich programme of co-curricular activities. We currently have two specialist provisions at our schools, an Autism Spectrum Provision at Princes Risborough School and a Social and Emotional Mental Health provision at The Kingsbrook School. We are committed to supporting students with SEND across our Trust.

I look forward to receiving your application.

Yours Sincerely,
