

Teacher of Mathematics CANDIDATE INFORMATION

Thank you for your interest in The Swan School, part of the River Learning Trust. The Swan became Oxford's first completely new secondary school for over 50 years when it opened in September 2019. When full, we will have approximately 1,200 students on roll, of whom around 300 will be in the Sixth Form. Our students are drawn from a local catchment area and the school will be at the heart of the community.

Learning from the most successful approaches at the best schools, The Swan School provides a uniquely challenging and structured experience in a caring and disciplined environment.

The ethos is academic; we regard an excellent academic education as the entitlement of all young people, no matter what their background or previous experiences of learning.

Our students will be inspired and nurtured, acquiring the knowledge and skills to think critically and creatively. They will learn to be confident, resilient and ambitious, and will have high expectations in terms of their own achievements and their contribution to wider society.

To achieve these aims we draw on best practices proven elsewhere, including a longer school day and enrichment activities embedded in the curriculum.

Students read and are read to and we expect all students to work to the best of their abilities and have excellent attendance and behaviour.

The Swan School moved into its brand-new buildings in Marston in September 2020. As a result it benefits from state-of-the-art facilities in an area of natural beauty close to the centre of Oxford.

This is a rare and exciting opportunity to be part of being involved in the development of an exceptional comprehensive school. As a member of The Swan's team, you will help to build the foundations of an outstanding school from the ground up. You will work with talented colleagues to focus on 'getting it right' with younger students so that we avoid 'fire-fighting' with year 11s later on.

The successful candidate will share our ambitions for our students. You will relish the challenge of developing a new school that will be different to other comprehensive schools in the city.

You will be a highly motivated team player, a creative thinker who is unafraid to try new approaches, and a reflective practitioner, keen to continue learning in order to achieve the best possible outcomes for our students.

If you have any questions or would like to speak to someone about this post, please contact our school office via office@theswanschool.org.uk or on 01865 416 070.

We very much look forward to hearing from you.

Kay Wood (Headteacher)

How is The Swan School unique?

A Unique Curriculum

The curriculum at The Swan School is tailored to provide a rigorous academic education. We have the highest expectations of what students can learn and encourage them to learn quickly and securely, while being considerate of different starting points. We know that giving all young people access to knowledge through which they can be successful promotes social justice and ensures students have the full range of opportunities open to them in the future.

The subjects taught are broadly traditional, but all students are motivated to stretch themselves beyond what is normally expected in English, mathematics, sciences, a modern foreign language, history, geography and religious education. Alongside this, and seen as of equal value, is their learning in art, design and technology, and music, in which they will be taught to both appreciate the achievements of others and to develop their own creative abilities. In all subjects, the emphasis is on expertly-designed learning with high levels of structure. There is absolute clarity for all on what students are expected to know and do at each point. No time is spent on tasks that don't move students on.

This is also evident in the provision

of independent work – some of which is completed during supervised study periods, and some at home. This is purposeful, clear and useful, normally involving practice or learning by heart of material taught in lessons.

A longer day also means time for 'electives' every week. Electives are timetabled slots in which students choose from a range of enriching activities alongside the main curriculum. Currently these include specialised sport, music, drama, additional languages and volunteering. Electives are a chance for students to explore existing passions and discover new ones. They are a compulsory part of school life so that enrichment is an entitlement for all, not an optional extra for a few.

Everyone at The Swan School works hard, guided by the belief that, through effort and dedication, wonderful things can happen. Students are expected to show commitment, self-discipline and responsibility in their studies. As a result, they produce work of the highest quality and learn to achieve more than they ever believed possible. All staff show the same level of dedication and thus experience the professional joys and satisfaction brought by helping young people to learn and grow.

Co-curricular Activities

Students at The Swan School are able to access a wide range of activities outside the curriculum, helping them to develop confidence, curiosity and resilience, and ensure their development into well-rounded young people. Students will be active participants in the school, local community and beyond. They learn consideration and kindness, and contribute to society.

Swan students have 40 minutes of tutor time every day where we focus on their personal and social development. Tutors and co-tutors guide their tutees through a centrally planned 'pastoral curriculum' that includes PHSCE topics, values-based activities, and opportunities to debate topical issues in 'Thought for the Week'.

Tutor time also includes 'guided reading' where tutors read to their tutees for 20 minutes to help develop their literacy, love of reading, and cultural capital.

Support and Inclusivity

The Swan School is an inclusive school, where all students learn well, no matter what their previous experiences of learning, background or circumstances.

Our experience in schools confirms that all young people can learn challenging content. Therefore, our approach to teaching students with SEND or other barriers to learning is to ensure that classroom delivery and organisation is of the highest standard, and to intervene immediately when evidence shows that a student is falling behind.

If a student demonstrates lower than expected levels of literacy or numeracy in the early years, intensive teaching will be provided to ensure that this is, where possible, remedied. An outstanding learning support team and the extra-flexibility provided by the extended day allow us to make sure that no student falls behind or does not make good progress. Good

schools do not give up on students, and we intend to be a great school.

The School Buildings and Grounds

The Swan School's permanent site is located in Marston, an area of natural beauty a short distance from the centre of Oxford. The site is close to several other primary and secondary schools, with whom we will develop close and mutually beneficial working relationships.

The Swan School benefits from the most modern of facilities in wonderful new buildings in Marston. This includes state-of-the-art accommodation, equipment and technology, plus a sports hall,

activities studio, drama and music rooms, specialist art, design and technology spaces and much more.

Family Lunch

Students and staff sit and eat together every day to promote healthy eating, caring for others, maturity and conversation skills. This communal approach helps all our students to learn good habits, consideration for others, and also how to engage in discussions with confidence. Breakfast and healthy snacks at breaktime are also available.

Structure of the School

	2019	2020	2021	2022	2023	2024	2025	2026	2027

*Our intention is to open a Sixth Form in 2021 by working in close partnership with The Cherwell School

The River Learning Trust is a multi-academy trust that is committed to working together to achieve excellence in education. RLT is responsible for a number of schools and a school-centred initial teacher training provider (SCITT).

Currently, RLT comprises eight secondary schools, including The Swan School, 16 primary schools, and the SCITT.

Two of the 16 primary schools joined in late 2019, with other schools in discussions about the possibility of joining RLT.

The schools and SCITT are united by their commitment to the principles of the Trust and a common belief in the benefits of everything that is gained by working together.

Further details about the Trust, including its history, names and location of schools, and details about the central team can be found on the RLT website: riverlearningtrust.org

The principles of the River Learning Trust are:

Commitment to Excellence; striving for the best educational experience through continuous improvement

Everyone Learning; creating and taking opportunities that enhance lives through evidence-based practice supporting adult and pupil learning

Respectful Relationships; acting with care, integrity, and fairness in all we do

As a member of staff in a RLT school you will benefit from the support, opportunities and leadership development provided by the Trust central team and colleagues in other schools.

Job Specification for: Teacher of Mathematics

Title of Post: Teacher of Mathematics

Grade: Main Pay Scale

Line Manager: Head of Faculty (Maths and Numeracy)

Purpose of the post:

To plan and deliver consistently highly effective lessons to ensure that all pupils can achieve the best possible outcomes. To contribute to the wider life of the school and play an active role in our pastoral systems.

Teaching and Learning:

- To plan and deliver high quality lessons, ensuring students are challenged and supported in equal measure.
- To deliver highly effective learning resources and schemes of work and contribute to their development.
- To teach small group numeracy intervention classes, as needed.
- To contribute to and share good practice across the curriculum area.
- To contribute to STEM activities across the school.

Assessment:

- To ensure that exam board and other external requirements are met.
- To assess components of exam work completed by the classes taught.
- To assess work and give feedback in line with school policy and best practice, and to share information.
- To participate in assessment moderation activities.
- To take an active role in relevant data analysis conversations, planning strategies for classes taught.

Student Engagement:

- To create an environment in which students are engaged in their learning.
- To apply the school's behaviour and recognition systems consistently as a means of motivating student engagement.
- To keep up to date with current initiatives.

Staff Development:

- To participate in activities to promote professional development.
- To be a reflective practitioner, identifying personal development areas and actively seeking to improve.
- To participate in the appraisal cycle in line with school and RLT policy guidelines.
- To engage positively in regular coaching feedback conversations about teaching and learning.

Monitoring:

- To participate in regular, informative lesson observations.
- To participate in whole-school monitoring activities where appropriate.

Other responsibilities:

- To be an effective member of a pastoral team.
- To lead electives activities and independent study periods as directed.
- To consistently apply and contribute to the development and implementation of whole school policies.
- To communicate with parents/carers and appropriate other agencies.
- To contribute to school events.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified. Employees will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

SAFEGUARDING

The Swan School and River Learning Trust are committed to safeguarding and promoting the welfare of all children and preventing extremism; all staff must ensure that the highest priority is given to following the guidance and regulations to safeguard children and young people. The successful candidate will be required to undergo an Enhanced Disclosure from the Disclosure and Barring Service (DBS) and obtain any other statutorily required clearance. Employment will also be conditional on the receipt of at least two acceptable references (1 from current/latest employer) and evidence of the formal qualifications required for the role.

December 2020

Person Specification

Criteria	Qualities
