The Post

The sixth form seeks to appoint an enthusiastic part time or full time teacher to contribute to the work of this thriving department on a temporary basis.

The successful candidate may come from a range of creative backgrounds including three-dimensional design, graphic design, fine art, textiles and or fashion but must have a willingness and ability to think three dimensionally as well as in drawing and software rendering. Candidates should also have an ability to develop ideas from 2D to more 3D designs and be able to follow a pre-planned curriculum and give strong feedback. Training on relevant software will be provided where necessary.

We welcome applications from both early career teachers and teachers with experience. A Level experience is not an essential requirement; we are seeking to appoint an individual with a strong academic background in English, or a related subject, who loves to teach and who has a passion for all aspects of the subject. A full ECT programme is offered at the College in the same way as schools, this means you will be fully qualified to advance your future career.

The person appointed must be willing to:

- bring imaginative and varied approaches to their teaching;
- work as a member of a team, sharing ideas and resources;
- develop relationships with students based upon equality, respect, joy and high aspirations

We are proud that the Sir John Deane's name has enhanced the career of many colleagues and, together with the professional development we provide, has allowed them to progress into middle and senior management positions.
